## ~ Reiki for Kidz ~

The earth is shifting into many different vibrations right now. As light workers and healers, we must begin to help the "**New Generation**" come through as easy and comfortable as possible. It is up to us to welcome them and not "fear" their Gifts. These beautiful "**Children of Light**" are Aware and Awakened.

### **Reiki for Kidz Session ~**

Reiki is a natural and simple healing method, which allows you to absorb more Life Force Energy. The Reiki method vitalizes your Life Force and balances the energies in your body. This natural healing energy flows in a powerful and concentrated form through the hands of the Reiki Healer. The light laying on of the hands, directs the healing energy into the body of the receiver. The Reiki Healer is used as a channel to conduct the Universal Life Energy. **\*\*\* Note from Mary**

My love for children has been a passion my entire life. I have been teaching and caretaking children for almost 40 years. I have learned to **Listen** to their heart, and to discern their psychic abilities first hand.

The little ones are here for a special reason, to express their underlying intellectual and spiritual intelligence. They are a channel of great love and compassion. My wish for them is to have a future filled with love, kindness, and peace.
