

After Action Report at Fort Collins 2023

We had our first Museum event this past Memorial Day weekend at the Veterans Plaza located in Spring Canyon Community Park, Fort Collins, CO. We displayed our Museum in conjunction with the “Traveling Wall”, Vietnam era vehicles, Pining Ceremonies, “Reading of the Names”, and the “Field of Honor”. The Plaza had over 6,000 visitors over the 3 day weekend and our docents, I am sure, feel as though they talked to every one of them.

Bill Bates, Rick Beaver, Carl and Barbara Cavalluzzi, Ken Hamburger, Dale House, Gregg Mann, John Mitchell, George Mayl, Doug Niel, Terry Olson, and Larry Tomek, put in yeoman duty as docents during the event. Our Museum is being transported by Wiers Transportation Company now; our new driver, Doug Perine, has been driving transports for 43 years. Plenty of experience to take care of our Museum.

In preparing for it, we had our usual work party. Rick Beaver and George Mayl on the ladder, with Cliff Lawson, Doug Neil, and a bystander looking on. Bill Bates is keeping the trailer steady.
