## KIWANIS MEETING OF January 22<sup>nd</sup>, 2018

We had a total of nine attended Monday's meeting, 8 members plus our speaker. Our excellent lunch consisted of Walleye, Sweet Potato Fries and a salad. Ben said the prayer and Dal led us in song. We sang Grand Old Flag and Stodola Pumpa.

Ann spent last week on vacation in Jamaica where she visited a school that is sponsored by a local Kiwanis club.

Happy dollars were given by Dal, Rick and Joe . Dal has also put out a new list of Committee assignments which will be published on our Web Site. Next weeks speaker will be Ronda Scubert from the Volunteer Center.

Our speaker this week was Kelly Williams from Talent 2 Value, a new company that she started in 2017. The purpose of Kelly's company is help clients to develop their human talent in order to maximize client value. This should generate loyalty of both the employee and the client's customers. Another goal is to retain young talent in this area to start new business. Kelly has spent twenty years with Schneider National in addition to the last five years with Breakthrough Fuel.

There are three goals of Kelly's customer program follow:

- 1 How do you inspire human talent.
- 2 Connection with people using their God given talent.
- 3 Developing Legendary Loyalty among employees.

Thanks Kelly for a great program.
