Rosa Above and Beyond™ *PP24,463 Above and Beyond™ rose*

NEW! This is a truly unique climbing rose for cold climates. Above and Beyond™ combines extreme cane hardiness, reliable spring flowering, vigorous growth and a unique color in hardy roses. Orange flower buds open in prolific clusters of five or more apricot colored semi-double to double flowers. Plants bloom in mid-to-late spring with sporadic repeat flowering in summer. With extreme cane hardiness, Above and Beyond™ can be a climber or a nice large free standing shrub in colder regions where plant dieback from cold is not an issue. Very resistant to fungal diseases. Bred by Dr. David Zlesak. First Editions.

⚙ H: 9-14' W: 10-14' Zones: 3-7

Rosa Abraham Darby® *PP8688 Abraham Darby® English Rose*

NEW! Old fashioned, large 5" cupped, very fragrant blooms of rich shades of apricot at times touched with gold. 100 petals. The flowers are produced in good numbers throughout the season on a great plant with disease resistance. May also be grown as a climbing rose. Glossy green foliage. Continually blooming. Outstanding! David Austin Roses.

⚙ H: 4-5' W: 4-5' Zones: 5-8

Rosa America *PP#3,682 America Climbing Rose*

A time tested, proven performer, 'America' blooms proudly throughout the growing season with masses of coral-pink flowers on new or old wood. This selection loves the heat of the summer to put on its best show, but always has a divine, spicy aroma that fills the air whenever flowers are present.

ROSE:

Rosa 'Blushing Knock Out®' to

Rosa Blushing Knock Out® PP14700 Blushing Knock Out® Rose

A soft pink colored sport of "knockout" this selection offers the same incredible disease resistance as its parent in a soft, pastel color that blends perfectly with so many plants in the landscape. This plant's dense, spreading form is a flower factory from June through frost with gobs of 2 to 2.5" diameter single flowers with showy yellow centers covering the plant and showing brilliantly against a dark green foliage backdrop. Use "Blushing Knockout" in groups to bring low maintenance, season long color to big areas or just use it as a single specimen that will never have you wanting for bloom. Knockout Roses.

⚙ H: 2-3' W: 3-4' Zones: 5-8

Rosa Brite Eyes™

Rosa Boscobel PP25064 Boscobel English Rose

'Boscobel' bears beautifully formed flowers of rich salmon colouring. They commence as red buds which open at first to pretty cups, gradually developing into perfectly formed blooms of classic rosette formation. The numerous small petals are of varying shades, mingling to provide a most pleasing effect. The delightful, medium-strong myrrh fragrance has a hawthorn character with hints of elderflower, pear and almond. It forms an upright shrub of medium size, with dark green, glossy foliage. It is vigorous and healthy. David Austin Roses.

Rosa Brindeabella Roses® Pink Princess

ROSE:

Rosa 'Campfire' to Rosa Charlotte™

Rosa Campfire PPAF *Campfire Rose*

NEW! An exciting rose from the Canadian Artist Rose series, Campfire has exceptional hardiness combined with eye-catching blooms & bright glossy foliage. Shapely buds with yellow & red tones open to semi-double flowers of yellow, edged in a deep rosy pink. As the season progresses, the pink edging becomes more prominent and produces an incredible smoldering blend of yellow and deep pink blooms that continue until frost. Dark green glossy foliage has excellent disease resistance; stems are smooth with only the occasional short thorns. Campfire's luminescent blooms on a compact shrub will light up a landscape. Named in honor of Tom Thomson, one of the foremost artist in Canadian history. First Editions.

☀ H: 3-4' W: 3-4' Zones: 3-7

Rosa Cancan™ PP#21430 *Cancan™ Climbing Rose*

Beautiful cup-like flowers are semi-double with deep magenta petals combined with a creamy white center and outside of the petal. Continuous flowering and excellent disease resistance makes this a great choice for the trellis or fence line. Bred by Bill Radler, the breeder of The Knock Out Rose.

☀ H: 6-10' W: 3-4' Zones: 5-9

Rosa Carding Mill™ *Carding Mill™ English Rose*

You won't be able to keep your eyes off 'Carding Mill' when it blooms...if you do you might miss part of the ever changing color show that will make this plant famous among your friends. Dense, upright plants begin to bloom in late May and early June with big, double, cupped flowers that start off with a bold peachy orange hue that gradually, day by day, changes and evolves to soft apricot-pink at maturity. The ever changing show makes for great viewing and can be repeated at length throughout the summer because of its strong reblooming ability. 'Carding Mill' is hardy, disease resistant and offers one of the strongest, most charmingly fruity aromas of any of the David Austin Roses. You'll love cutting one of these beauties to brighten up your home. David Austin Roses.

☀ H: 3-4' W: 2-3' Zones: 5-8

Rosa Carefree Wonder *Carefree Wonder Rose*

Carefree and colorful, 'Carefree Wonder' is the ideal rose for your landscape if you are a beginner or a rose growing pro because it is so floriferous, yet so problem-free with none of the disease problems that can plague other roses. You'll be amazed at the steady stream of double, 4" diameter, sweetheart pink flowers that will bloom above deep green, shiny foliage from late May through September. Added to the never ending flower show is a light flower fragrance that adds a subtle freshness to the garden, and a fall and winter display of small orange to red hips that birds love! Plant this in full sun and well-drained soil, and even try using it planted in a mass or as an informal, blooming small hedge.

☀ H: 3-4' W: 3-4' Zones: 4-8

Rosa Champagne Wishes *Champagne Wishes Shrub Rose*

NEW! Clusters of pale apricot buds open fully to antique white with just a hint of apricot before fading to a clear white. Combines beautifully with perennials in a mixed border, or as a refined low hedge. Comes with the renowned Easy Elegance Rose repeat blooming and disease resistance. Easy Elegance Roses.

☀ H: 3-4' W: 2-3' Zones: 4-9

Rosa Charlotte™ PP9008 *Charlotte™ English Rose*

Handsome and colorful, Charlotte™ is an aggressive growing, upright bush that blooms brilliantly throughout the summer displaying bunches of 3.4-4" diameter, rich, buttery-yellow, cup shaped blossoms that age lighter on the outer petals to give mature flowers a sensational bi-color look. Crisp, light to medium green foliage generously fills out this robust plant that will have your garden in color for weeks on end. 'Charlotte' loves full sun and will perform perfectly as a specimen or grouped for spectacular blooming power. David Austin Roses.

GROUNDCOVER ROSES

ROSE:

Rosa 'Darcey Bussell' to Rosa 'Double Pink Knock Out®'

Rosa Darcey Bussell PP18717 Darcey Bussell English Rose

There's nothing like a crimson rose to bring out the romantic in any gardener and 'Darcey Bussell' is the first double crimson rose to come from David Austin in nearly a decade. Once you put this dense, very compact, yet incredibly floriferous selection in your garden, you'll declare that it was worth waiting 10 years because it is such a landscape stand out. Its tight, dense form is heavily budded above deep green foliage by mid May with the most perfect, double, full flowers opening freely thereafter, forming the most perfect petal rosettes you'll ever see. A fresh fruity fragrance accompanies each bloom and the plant blooms regularly throughout the season to keep you enthralled for months! Even better, 'Darcey Bussell' is all romance and very little work since it is disease resistant and hardy leaving you little to do but send dreamy, loving stares its way all summer long! David Austin Roses.

⚙ H: 2-3' W: 1-2' Zones: 5-8

Rosa Desdemona® Desdemona® Rose

NEW! Deep green foliage fills the rounded shape of this strong growing selection and serves as the backdrop for big, peachy-pink buds that open up to pure white flowers with just a hint of pink. Strong blooming with a long flower season, the open blooms of this outstanding selection will fill the garden with its strong, almond blossom fragrance. David Austin Roses.

⚙ H: 3-4' W: 3-4' Zones: 5-8

Rosa Don Juan Don Juan Climbing Rose

If you're looking for a climbing rose with a fragrance that knocks your socks off, this is the one! 'Don Juan's deep, dark red flowers bloom consistently throughout the season on old or new wood with a strong, old rose scent that is just heavenly. Aggressive and dependable, 'Don Juan' is a real rose garden asset.

⚙ H: 12-14' W: 12-14' Zones: 5-8

Rosa Double Delight PP#03,847 Double Delight Hybrid Tea Rose

What a stand-out color combination with cream-colored flowers that are heavily blushed red! Prolific bloom and a great spicy scent make this a hybrid tea to reckon with.

⚙ H: 3-4' W: 2-3' Zones: 5-8

Rosa Double Knock Out® PP16202 Double Knock Out® Rose

This relative of the now famous 'Knockout' is more than a "me too" plant put on the market to take advantage of a famous great selling previous plant...much more! More compact than its famous sibling, 'Double Knockout' features a dense, rounded form, outstanding, disease resistant, deep gray-green foliage and loads of deep pinkish-red flowers with multiple rows of petals as compared to 'Knockout'. It's a great easy care rose that will make the most rank amateur in the garden look like a pro, because it is so easy to grow, so floriferous and so disease resistant. Plant 'Double Knockout' in groups, or in a container in a sunny spot and enjoy the landscape magic! Knockout Roses.

⚙ H: 2-3' W: 3-4' Zones: 4-8

Rosa Double Pink Knock Out® Double Pink Knock Out® Rose

(Northern Hardy) Like its relative "Double Knockout", 'Double Pink Knockout' will offer you a rose that is so carefree in your garden that it will remind you of the best flowering shrub you can think of with a hundred times the color!! 'Double Pink Knockout' is a prolific bloomer with loads of flower buds rising above its dense, compact form and deep green foliage. From May to October and opening to the sweetest double hot pink, 3" diameter flowers you'll ever see! It's a dream garden plant for your landscape because of the color but also because it is so carefree, so disease resistant that you'll want to mass them in any sunny spot you can find so you can fill your yard with season long color!! Knockout Roses.

ROSE:

to *Rosa Easy-to-Love*® *Easy Spirit*™

Rosa Downton Abbey® **Edith's Darling**™ PPAF *Edith's Darling*™ *Downton Abbey*® *Shrub Rose*

NEW! This golden, English style shrub rose is appropriately named in honour of Lady Edith's beloved daughter Marigold, producing vibrant clusters of 3" blossoms with over 60 petals each for a dramatic, season-long spectacle. Ruffled, cupped blooms have radiant golden centers, fading to pale yellow at the outer edges with a light fruity fragrance. The shrub's exceptionally compact habit and lush green foliage make it ideal for planting in containers or in the landscape.

⚙ H: 30-36" W: 30-36" Zones: 5-9

Rosa Downton Abbey® **Pretty Lady Rose**™ *Pretty Lady Rose*™ *Hybrid Tea Rose*

NEW! Pretty Lady Rose™ shares the beauty, grace and personality of the beloved Lady Rose of 'Downton Abbey' fame. A compact rose with dark foliage and dark pink, ruffled double blooms, fragrant with Peony tones with a hint of spice.

⚙ H: 24-36" W: 18-24" Zones: 4-10

Rosa Downton Abbey® **Violet's Pride**™ PPAF *Violet's Pride*™ *Downton Abbey*® *Floribunda Rose*

NEW! Named for the imperious Dowager Countess of Grantham, Violet's Pride™ is an equally commanding force in the garden. Pointed buds swirl open to luscious 4" blooms of rich lavender-purple, revealing centers of bright magenta for a spectacular two-tone effect. The vigorous, compact plant is well rounded, producing countless clusters of fruity scented blooms from spring through frost. Vigorous growth and exceptional disease resistance.

⚙ H: 3-4' W: 2-3' Zones: 5-9

Rosa Dublin Bay® *Dublin Bay*® *Climbing Rose*

NEW! Large, fully double, velvety red flowers will thrive in cool weather or steamy heat from spring until the first frost. One of the best of the modern climbers with glossy, deep green foliage and a light, spicy fragrance.

⚙ H: 8-10' W: 8-10' Zones: 5-10

Rosa Easy Elegance® **'Snowdrift'** PP19,036 *Snowdrift Rose*

NEW! The Easy Elegance Series of roses are an easy to care for shrub rose. Like a snowdrift in summer, the habit is upright and amazingly uniform with blooms covering the plant all the way to the ground. Gorgeous, very full, cup-shaped blossoms of creamy white. With just a hint of apricot noticeable in the center, quite reminiscent of English roses. Each cluster of blossoms retains its pure color before dropping cleanly. This hardy, disease-resistant beauty is at home in any border and also makes a graceful hedge. Easy Elegance Roses.

ROSE:

Rosa Julia Child to Rosa 'First Prize'

Rosa Julia Child

Rosa Easy-to-Love® Julia Child™ PP18,473 Julia Child™ Floribunda Rose

(Northern Hardy) How about this for the recipe for a perfect garden Rose? Start with a constant stream of brilliant color that lasts throughout the summer, add in a strong, seductive scent that will have you swooning every time you visit your garden and finish off with a compact, dense plant that clothes itself with medium green, slightly glossy, disease resistant foliage. Sounds delicious and it sounds like the perfect Rose for naming after that noted chef of the same name. Each of its seemingly endless supply of buds opens dark yellow with orange tones only to morph into a beefy, multi-petaled Rose sporting a buttery yellow color that groups together with other Roses on the plant in classic Floribunda style to create waves of color throughout the summer. It's hard not to be seduced by this free flowering beauty that will require only some yearly feeding from you, a full sun location in the garden and as much time as you can contribute to enjoy the show in your landscape! (F)

⚙ H: 3-4' W: 3-4' Zones: 5-8

Rosa Livin Easy

Rosa Easy-to-Love® Livin Easy™ Livin Easy™ Rose

(Northern Hardy) There might not be a more perfectly named Rose in describing what your life will be like when trying to grow it..you'll be Livin' Easy! The reason is that it is one of the most easy care Roses you can grow with amazingly little input needed from you other than getting it established and reaping the colorful rewards. Those colorful rewards come in the form of constant waves of double apricot, orange and yellow Roses with a hint of pink all displayed in bunches like a true Floribunda Rose. There always seems to be color on Livin' Easy™ from spring right on into fall all on a plant that seems impervious to disease concerns. It all adds up to the easiest, most colorful Floribunda Roses you've ever grown with the bonus of having a sweet, garden filling fragrance to boot! Grow 'Livin' Easy™ alone as a specimen or plant a few along with some summer blooming perennials in a sunny area for color show that will be a garden thriller. (F)

Rosa Take It Easy™

Rosa Easy-to-Love® Take It Easy™ PPAF Take It Easy™ Floribunda Rose

NEW! Take it Easy, relax and enjoy life! You won't have much work to do in the garden after planting this! The dark green, shiny, disease free foliage is the perfect background to showcase the many clustering buds and flowers. Of a classic red color, this dynamite of a rose has ideal pointy and very elegant buds. A touch of lighter pink reverse light up the show of this blooming machine.

⚙ H: 3-4' W: 2-3' Zones: 5-9

Rosa Eden® Climber Eden® Climber Climbing Rose

NEW! Eden® is a truly spectacular climbing rose, with an abundance of fragrant, 40+ petaled, repeat blooms. The combination of the soft pink and creamy white coloration along the dark green, glossy foliage has attracted gardeners world wide, winning the World Federation of Rose Societies "World's Best Rose" in 2006. Extremely winter hardy and disease resistant.

⚙ H: 8-12' W: 4-6' Zones: 5-10

Rosa Falstaff™ PP13315 Falstaff™ English Rose

NEW! Falstaff bears large crimson flowers with a shallow, cupped shape. They are of exquisite form and quality, packed with numerous petals which interfold at the center. This helps to create a lovely, glowing effect within an enclosed saucer of outer petals. The blooms are a rich, dark crimson coloring at first, eventually turning to a wonderful shade of rich purple. There is a powerful Old Rose fragrance. The growth is strong, bushy and rather upright, with the flowers nodding nicely on the stem. Works well as a climber when trained. David Austin Roses.

ROSE:

Rosa 'Flower Carpet Amber' to Rosa 'Flower Carpet- Scarlet'

Rosa Flower Carpet Amber *Amber Flower Carpet Rose*

(Northern Hardy) Get ready to be dazzled by 'Amber', the third member of the new generation of Flower Carpet® Roses that is characterized by superb vigor, disease resistance, foliage and flower power. 'Amber' will not disappoint in any of these categories as it produces the shiniest of red emerging, deep green matured foliage on arching stems that form a tight, spreading, mounding carpet of green that fills itself with buds by mid to late May. The season long flower show that follows is breathtaking with golden amber double blossoms emerging then maturing to a soft apricot-pink with age. The parade of bloom doesn't end until October on this plant that is tough, easy to grow and easy to love. Plant a group of 'Amber' in full sun and watch them fill an area of your landscape with such ease you'll wonder if it really is a rose or just the best long blooming flowering shrub you've ever found!! Flower Carpet Rose.

⚙ H: 1-2' W: 5-6' Zones: 4-8

Rosa Flower Carpet Apple Blossom *Apple Blossom Flower Carpet Rose*

(Northern Hardy) Same great form, foliage, and bloom power as its pink cousin, but with a soft, light pink double bloom that will add a subtle touch to any bank or hillside planting! Flower Carpet Rose.

⚙ H: 1-2' W: 4-5' Zones: 5-8

Rosa Flower Carpet Pink Splash *Flower Carpet Pink Splash Rose*

Flower Carpet Rose.

⚙ H: 23-31" W: 36-40" Zones: 5-10

Rosa Flower Carpet Pink Supreme *Pink Supreme Flower Carpet Rose*

(Northern Hardy) You'll be stunned by the shot of color and vigor this new selection will add to the Flower Carpet® series! Deep green, shiny, disease-resistant foliage grows vigorously to form a low, spreading, mounding plant that soon covers itself with buds. As they start cracking, you'll notice this is not your ordinary pink Flower Carpet... it's 'supreme' with hot, fuchsia pink color. Semi-double form and a will to bloom will make you shake your head in admiration! With color throughout the season and an incredibly easy care nature, this may soon be your flower carpet favorite. Flower Carpet Rose.

⚙ H: 1-2' W: 5-7' Zones: 5-8

Rosa Flower Carpet Scarlet *Scarlet Flower Carpet Rose*

(Northern Hardy) Here's a rose that will take carefree to a new level in your garden! 'Flower Carpet® Scarlet' is the latest in the Flower Carpet® line and, like all the roses in this group, it is extremely disease resistant, easy to care for and incredibly rewarding. It sports deep green, lustrous foliage on a dense, low, spreading plant that stays compact and stays in bloom for a long time as buds form and open in May to reveal clusters of scarlet red, double flowers that continue in waves throughout the summer until frost. Like its Flower Carpet® brethren, 'Scarlet' loves a sunny area, will tolerate hot, dry areas, and loves being massed in big groups to put on a non-stop flower show in the landscape. It will even look great in a container on a deck giving great color without a lot of care. Flower Carpet Rose.

⚙ H: 24-32" W: 38-40" Zones: 5-8

ROSE:

Rosa 'Flower Carpet- Coral' to Rosa 'Garden Art Macys Pride'

Rosa Flower Carpet- Coral *Coral Flower Carpet Rose*

(Northern Hardy) Wow! What a bullet proof beauty! Anthony Tesselaar's newest Flower Carpet® introduction will have you doing a double take when you first see it. The first you'll notice is incredibly dark, shiny foliage that looks artificial. The next thing you'll notice is an aggressive spreading form that is perfect for covering ground in mass plantings and hillside areas. Finally, you'll marvel at the profusion of single, coral colored flowers that seem to constantly grace the plant and the incredible hardiness and disease resistance the plant boasts. Add it all together and you have a new Flower Carpet® Rose that's worth getting excited about! Flower Carpet Rose.

⚙ H: 1-2' W: 5-6' Zones: 5-8

Rosa Flower Carpet- Pink *Pink Flower Carpet Rose*

(Northern Hardy) The old standby that still keeps on performing. Vigorous and spreading, this plant is awash with double, deep pink flowers throughout the growing season and is nearly care free with glossy, disease-resistant foliage. Flower Carpet Rose.

⚙ H: 2-3' W: 3-4' Zones: 5-8

Rosa Flower Carpet- Red *Red Flower Carpet Rose*

(Northern Hardy) This brassy addition to the Flower Carpet® line-up deserves the rave reviews it has received. Bold, bright red flowers are single in form and prolific throughout the season. Vigorous and strongly spreading, this selection will really cover some ground that will look all the better for that coverage! Flower Carpet Rose.

⚙ H: 2-3' W: 3-4' Zones: 5-8

Rosa Flower Carpet- White *White Flower Carpet Rose*

(Northern Hardy) Double white bloom and trailing form will make your landscape look like a blanket of snow in summer when this is flowering full tilt! This selection is vigorous and exhibits terrific glossy, deep green foliage. Flower Carpet Rose.

⚙ H: 1-2' W: 4-5' Zones: 5-8

Rosa Flower Carpet- Yellow *Yellow Flower Carpet Rose*

(Northern Hardy) Finally! Consumers have been clamoring for this color and it is finally here and ready to take the market by storm. 'Flower Carpet® Yellow' will really draw your attention before it even blooms with its slightly upright yet spreading form and its amazingly glossy, apple-green foliage. Top that with a never ending supply of buds that open to bunches of lemon-yellow, double flowers throughout the season and you and your customers will be hooked! Its disease resistant nature and northern hardiness will only add to the 'Flower Carpet® Yellow' mystique! Flower Carpet Rose.

⚙ H: 2-2' W: 5-6' Zones: 5-8

Rosa Garden Art Macys Pride *Macys Pride Garden Art Rose*

(Northern Hardy) This plant was so stunning it was selected by Macy's to mark their centennial! You'll see what all the fuss is about the first time this plant blooms. Big, lemon-yellow buds open to beefy, double creamy white flowers that form bunches that nearly obscure glossy, medium green, disease resistant foliage. Recurrent bloom and dense, rounded form complete the beautiful picture of this own root, zone 4, hardy rose.

⚙ H: 4-5' Zones: 4-8

ROSE:

Rosa 'Garden Art Super Hero' to Rosa 'Golden Showers'

Rosa Garden Art Super Hero *Super Hero Rose*

(Northern Hardy) If your landscape is looking for a savior, 'Super Hero' is your plant! More than a great rose, 'Super Hero' is a low care, very rewarding flowering shrub that will thrill you with its landscape heroics from late May through September. With its everblooming nature, strong resistance to disease and spectacular, bright red, Hybrid Tea-like flowers, this plant begs to be the center of attention and always delivers in the clutch when planted in any full sun location with moist, well-drained soil. 'Super Hero' won't limit its good deeds to the garden... its bloom is perfect for cutting and bringing in the house to help make your home a better place to live, too!

⚙ H: 3-5' W: 3-4' Zones: 4-8

Rosa Garden Path Sunrise Sunset *Sunrise Sunset Rose*

(Northern Hardy) It's hard not to be impressed by the sheer blooming power of this low, spreading charmer. Two inch diameter, multi-petaled flowers appear in abundance in mid-May and don't stop for a breather until late September, continually showing off their terrific bright fuschia color belnded with apricot at each petal base. It's a real stunner in bloom and a real aggressive grower that fend off disease as well as any rose you'll see, with its shiny, blue-green foliage remaining blemish free and beautiful behind the constant flood of tasty bloom. 'Sunrise Sunset' is perfect for grouping in sunny areas to cover ground and produce an outstanding, easy care landscape show.

⚙ H: 2-3' W: 3-4' Zones: 4-8

Rosa Garden Sun™ *Garden Sun™ Climbing Rose*

NEW! Great disease resistance and winter hardiness. One of the most prolific bloomers and will hold well in the heat as well as in the vase. Multi-layers of petals have a golden yellow and when blooming has a slight fragrance. Allow to grow up a trellis or any other vertical surface that you'd like to fill with color.

⚙ H: 10-12" W: 2-4" Zones: 5-9

Rosa Gilded Sun™ *PPAF Gilded Sun™ Floribunda Rose*

NEW! Finally, a vivid, lemony yellow rose that won't fade to drab mediocrity. This new Star@Roses intro is upright and bushy, with glossy dark green foliage covered with long-lasting clusters of pure sunshine. Excellent disease resistance.

⚙ H: 4-5' W: 3-4' Zones: 5-9

Rosa Gingersnap *Gingersnap Rose*

NEW!

⚙ H: 4-5" W: 3-4" Zones: 5-9

Rosa Gold Medal' *Gold Medal*

Great vigor and great blooming power distinguish this selection that is so little known yet so superlative in the landscape. 'Gold Medal' is a strong . Upright power that clothes itself in deep green resistant foliage that always seems to look great in the garden. Late May sees bunches of large buds grouped at the top of stems colored gold, brushed with orange color that open to reveal deep, golden yellow double flowers with a rich, fruity fragrance you'll love. 'Gold medal' is one of the best rebloomers in the garden and very dependable so be prepared for color throughout the summer and great, fragrant blooms to cut for inside, too! Plant 'Gold Medal'in full sun with good airflow, mulch on the soil surface and feed regularly during the growing season.

⚙ H: 4-5' W: 2-3' Zones: 5-8

Rosa Golden Showers *Golden Showers Climbing Rose*

A superb yellow climbing rose, this selection has a list of landscape attributes that will really make you take notice. Big ruffled flowers, that bloom on new or old wood, seem to be always present on this free-flowering beauty, and their sweet licorice scent is truly remarkable. Combine a superb flowering habit with beautiful foliage and strong, vigorous growth and you have a rose that is a landscape necessity.

⚙ H: 12-14' W: 12-14' Zones: 5-8

ROSE:

Rosa Graham Thomas® to Rosa Home Run®

Rosa Graham Thomas® *Graham Thomas® English Rose*

Strong growing, with continuous, season-long displays of cupped, tight double flowers of vibrant rich yellow. Strong satisfying tea fragrance, great hardiness. David Austin Roses.

⚙ H: 5-6' W: 4-5' Zones: 5-8

Rosa Grandma's Blessing PP#16,993 *Grandma's Blessing Rose*

Resembling a hybrid tea with large, full, dusty-pink blossoms, this beauty is so sweet it was named it after Margaret 'Grandma' Bailey. Grandma's Blessing has a symmetrical, vase-shaped form and dark-green, disease-resistant foliage. Stunning color combines beautifully with many perennials. Also makes an elegant low hedge. Easy Elegance Roses.

⚙ H: 2-3' W: 2-3' Zones: 5-9

Rosa Henry Kelsey *Henry Kelsey Rose*

A cold hardy masterpiece, this free-flowering selection is always ready to put on a show with its clusters of large, double, bright red flowers and its bewitching spicy fragrance. Vigorous and disease-resistant, this own-root rose is easy to train and perfect for use on walls and fences.

⚙ H: 10-12' W: 10-12' Zones: 4-8

Rosa Heritage™ *Heritage™ English Rose*

NEW! Attractive, medium-sized blooms produced in small sprays. Their color is a very soft, clear pink at the centre, while the outer petals are almost white. There is a beautiful fragrance, with overtones of fruit, honey and carnation on a myrrh background. 'Heritage' is a shapely, well-rounded shrub with strong, bushy growth and pointed, greyish-green foliage. Almost entirely thornless. David Austin Roses.

⚙ H: 4-5' W: 3-4' Zones: 5-8

Rosa High Voltage *High Voltage Shrub Rose*

NEW! Brilliant clusters of shockingly yellow blossoms are held up high on sturdy canes. Incredibly clean foliage compliments the fragrant, huge double blooms. This hardy shrub rose adds a sunny shock of color to any sunny landscape or container. Upright, vase-shaped habit will stand up in the back of the border or stand out as an accent. Comes with the renowned Easy Elegance Rose repeat blooming and disease resistance. Easy Elegance Roses.

⚙ H: 3-5' W: 2-4' Zones: 4-7

Rosa Highwire Flyer™ *Highwire Flyer™ Climbing Rose*

NEW! An own root, disease resistant climbing rose that is a compact grower and blooms throughout the summer...is it a dream?? No way! It is Highwire Flyer™ and your rose garden will never be the same! A perfect plant for smaller rambling places, the hot pink bloom borne in bunches will light up any landscape and will continue to so in abundant fashion into early fall.

⚙ H: 4-6' W: 5-6' Zones: 5-8

Rosa Home Run® PP18,552 *Home Run® Landscape Rose*

Bred from 'Knock Out', that tireless, disease resistant, landscape workhorse, 'Home Run' intensifies that plant's great gifts to create a new plant that seems artificial with its incredible bloom and complete aversion to disease problems. It forms a dense, rounded, low profile plant, heavily packed with the deepest green foliage that serves as the perfect background for a constant flow of showy, flame red blossoms surrounding golden yellow stamens. The supply of flowers is unquenchable and the color is so easy to work with, as it loses some of the purple-pink shading in 'Knockout' that sometimes looks a little harsh. Plant this happily floriferous beauty in full sun and in groups to take advantage of its ability to put on a hot show. Proven Winners.

⚙ H: 3-4' W: 3-4' Zones: 4-8

ROSE:

Rosa 'Honor - white' to Rosa Jubilee Celebration™

Rosa Honor *Honor Hybrid Tea Rose*

Fragrant, satiny white double blooms are poised on extra long stems on this upright growing tea rose. A classically elegant choice for the garden or as a cut stem.

☼ H: 4-5' W: 2-3' Zones: 5-8

Rosa Iceberg *Iceberg Floribunda Rose*

A superb plant for massing in the landscape, this strong-growing, hardy disease-resistant floribunda is awash with big clusters of clear white blooms all season long. One of the best, easy care garden roses available.

☼ H: 4-5' W: 3-4' Zones: 5-8

Rosa Icecap™ *PP#26,790 Icecap™ Landscape Shrub Rose*

NEW! Icecap™ displays a dense flush of pure white, ruffled, cupped flowers on a compact, rounded shrub, with the famous Star®Roses resistance to many common rose diseases. No pink tinge on this new hybrid- these feathery blossoms are as pure white as new fallen snow. Icecap™ is the first rose created from the combined breeding efforts of Will Radler and Jacques Mouchotte of Meiland International.

☼ H: 24-30" W: 36-42" Zones: 5-9

Rosa Intrigue *Intrigue Floribunda Rose*

Riveting color and superb garden form make this plant, in a word, intriguing! Deep, dark green foliage is tightly packed on a dense, rounded frame serving as a perfect backdrop to bunches of large, double flowers that emerge an extraordinary velvety-plum purple and keep on blooming throughout the summer. Even better, 'Intrigue' exudes a wondrously strong citrus scent that fills the garden.

☼ H: 4-5' W: 2-3' Zones: 5-8

Rosa John Cabot *John Cabot Climbing Rose*

Extremely hardy with fragrant, rosy pink flowers. Free-blooming and very disease-resistant, great for massing.

☼ H: 8-10' W: 8-10' Zones: 3-8

Rosa John F. Kennedy *John F. Kennedy Hybrid Rose*

A dependable Hybrid Tea with an unusual greenish hue on young flowers that end up opening large, very full, and rich white in color. Great for cutting.

☼ H: 3-4' W: 2-3' Zones: 5-8

Rosa Joseph's Coat *Josephs Coat Climbing Rose*

Huge, multi-colored flowers of red, pink, orange and yellow grace this vigorous climber. Long-blooming and blooms on new and old wood. Great foliage.

☼ H: 10-12' W: 10-12' Zones: 4-8

Rosa Jubilee Celebration™ *Jubilee Celebration™ Rose*

NEW! This dense, compact grower will blow you away with its amazing flower power! Deep green foliage will be obscured in late spring with large, domed flowers in an unusual shade of rich salmon pink. Better yet, the flower show continues into the summer with repeated rebloom that is happy to fill the garden with its exceptional aroma. David Austin Roses.

☼ H: 3-4' W: 3-4' Zones: 5-8

ROSE:

Rosa 'Kashmir' to Rosa Lavender™ Veranda®

Rosa Lavender™ Veranda®

Rosa Kashmir Kashmir Rose

Forget those old Hybrid Tea Roses... why even deal with them when you have an outstanding Easy Elegance Rose that gives you stunning Hybrid Tea-like flowers on a tough, hardy plant that shrugs off disease problems with the same ease that it blooms. Big deep red buds rise above deep green, disease resistant foliage and open to fat, heavily petalled, 3" diameter deep, almost velvety red flowers from May until frost. The flowers are an absolute wonder to behold and you'll have chance to behold them for months with this plant's desire to keep the color coming. 'Kashmir' blooms are perfect for bringing inside to admire and that may be the most work you'll have to perform on this easy going plant that can easily be one of the most beautiful rewarding flowering shrubs you can grow in your yard. That's right... a rose that's as easy to grow as a flowering shrub! Easy Elegance Roses.

⚙ H: 3-4' W: 3-4' Zones: 4-8

Rosa 'Kashmir'

Rosa Kiss Me Kiss Me Rose

(Northern Hardy) Stunning fragrance is the hook for this compact rose, but it is only one of many outstanding characteristics that will have you anxious to plant more than one! It exhibits an amazing desire to keep blooming with bunches of large, fully double, clear pink blossoms that continue from spring to fall, filling the garden with color and sweet scent. Highly disease resistant foliage in shades of deep green serves as an outstanding backdrop for the constant color of this plant and reinforces its easy care nature. Plant this small, but powerful plant in groups for a remarkable summer show.

⚙ H: 2-3' W: 2-3' Zones: 5-8

Rosa 'Kiss Me'

Rosa Knock Out® PP11836 Knock Out® Rose

The relative of the now famous 'Knockout' is more than a "me to" plant put on the market to take advantage of famous great selling previous plant...much more! More compact than its sibling, 'Double Knockout' features a dense, rounded form, outstanding, disease resistant, deep gray-green foliage and loads of deep pinkish-red flowers with multiple rows of petals as compared to 'Knockout'. It's a great easy care rose that will make the most rank amateur in the garden look like a pro, because it is so easy to grow, so floriferous and so disease resistant. Plant 'Double Knockout' in groups, or in a container in a sunny spot and enjoy the landscape magic! Knockout Roses.

⚙ H: 2-3' W: 3-4' Zones: 4-8

Rosa 'Knock Out®'

Rosa Lady of Shallot PP22171 Lady of Shallot English Rose

One of the most robust and hardy roses in the collection. It is also highly resistant to disease and it will bloom with unusual continuity throughout the season and it is an ideal rose for the inexperienced gardener. The young buds are a rich orange-red. These open to form chalice-shaped blooms, filled with loosely-arranged petals. Each petal has a salmon pink upper side which contrasts beautifully with the attractive golden-yellow reverse. There is a pleasant, warm, tea fragrance, with hints of spiced apple and cloves. Lady of Shallot quickly forms a large, bushy shrub with slightly arching stems. The mid-green leaves have attractive, slightly bronzed tones when young. David Austin Roses.

ROSE:

Rosa 'Munstead Wood' to Rosa 'Oklahoma'

Rosa Munstead Wood PP19876 *Munstead Wood English Rose*

(Northern Hardy) There is nothing that draws as many 'ooohs' and 'aaahs' in the Rose world as a deep crimson colored Rose. Leave it to David Austin to deliver one of the deep best crimson Roses in years in the form of 'Munstead Wood'. The plant itself is a compact growing powerhouse with deep green foliage densely held to its branches while new foliage has a contrasting scarlet tinge. Buds are in constant supply from spring right on until fall, opening to a continuous display of fully double, deeply cupped flowers that feature slightly lighter colored petals along the outer edges of the bloom that contrast beautifully with the velour-like, deep crimson petals closer to the center. As they age, the flowers widen and become less cupped and release a strong, mouth watering, old rose fragrance in the garden. 'Munstead Rose' displays great disease resistance and a penchant for being in color for long stretches of the summer meaning you will have an ample supply of fragrant blooms to bring inside. Plant this selection in full sun and feed it at least once a year for best performance. David Austin Roses.

☼ H: 3-4' W: 3-4' Zones: 5-8

Rosa Music Box *Music Box Shrub Rose*

NEW! An exhibition of color, 'Music Box' sings with double blooms of creamy yellow centers surrounded by delicate pink blends. An everblooming mound of blossoms sits atop glossy medium green foliage that is resistant to disease. An ideal accent that will bring harmony to your garden. Easy Elegance Roses.

☼ H: 3-6' W: 3-5' Zones: 4-9

Rosa My Girl PP#19,952 *My Girl Shrub Rose*

Deep pink buds are held in clusters of 5 to 30, opening to ruffled blossoms so full they almost hide the bright yellow centers. Foliage is exceptionally spot resistant and nearly evergreen on a compact, upright plant. Excellent reblooming and spectacular color makes 'My Girl' a dazzling color statement in any sunny landscape.

☼ H: 3-5' W: 3-5' Zones: 4-9

Rosa Navy Lady PP23,288 *Navy Lady Rose*

NEW!

☼ H: 2-3' W: 2-3' Zones: 4-8

Rosa New Dawn *New Dawn Climbing Rose*

NEW! This repeat blooming rose has captivated the world with its large, blush-pink double flowers that bloom profusely until frost. Its abundance of fragrant flowers has made it so enticing, in fact, that New Dawn was voted the most popular rose in the world at the 11th World Convention of Rose Societies! Butterflies adore this rose, which can be grown as a shrub, but is more well-known for its excellence as a climber.

☼ H: 8-12' W: 3-6' Zones: 5-8

Rosa Oklahoma *Oklahoma Hybrid Tea Rose*

Seductively dark in color and always dependable about delivering the flowering goods, 'Oklahoma' is an old school rose that still has what it takes to show up all the newcomers. Its dense, bushy form is populated by large, deep green leaves giving it a dense landscape appearance and great backing for big, beefy buds that top long stems starting in late May. These buds open to show off nearly black, velvet red blooms that are as big as they are fragrant. This deep, black-red color is rare in the garden making 'Oklahoma' even more valuable for anyone that's a sucker for deep, lush color. Its blooms are plentiful so be sure to bring some inside to shine in a vase in a prominent place. Plant 'Oklahoma' in full sun with good airflow, mulch on the soil surface and regular feeding during the growing season. (H)

ROSE:

Rosa 'Oso Easy® Italian Ice®' to Rosa Oso Easy Peachy Cream

Rosa Oso Easy® Italian Ice® USPP 26,532 Oso Easy® Italian Ice® Rose

This long blooming, disease resistant rose is a summer thriller with a continuous stream of fat orange buds that open to show off yellow double flowers with pink edges from May through September. Long blooming for all summer color. Easy care and disease resistant. Perfect for massing in the landscape. Easily mixed with summer blooming perennials to put on a real summer show. Proven Winners.

☀ H: 18-24" W: 18-30" Zones: 5-8

Rosa Oso Easy® Lemon Zest USPPAF Oso Easy® Lemon Zest Rosa

NEW! We've evaluated yellow roses for years, looking for one that lived up to our demands for brilliant color and excellent disease-resistance. This is it! Sunny, canary yellow flowers do not fade to white and really light up against the glossy green foliage. It is free-flowering, producing lots of buds which open to self-cleaning flowers. Excellent disease-resistance makes it easy for gardeners to enjoy and its reblooming nature make it a true color bomb in any sunny landscape spot. Proven Winners.

☀ H: 18-30" W: 18-30" Zones: 5-9

Rosa Oso Easy® Mango Salsa USPP 22,190 Oso Easy® Mango Salsa Rose

(Northern Hardy) Take a trip to the tropics in your own backyard! It's easy to do just that with a planting of Oso Easy® Mango Salsa, another in the line of outstanding landscape Roses that are incredibly easy to grow and incredibly disease resistant. Mango Salsa boasts a color that will have you reaching for a cooling tropical drink with a striking, salmon-coral hue on its small, multi-petaled flowers. The result is bunches of mango-like color backed by clean, shiny, deep green foliage on a compact, spreading plant that begs to be planting in sweeping groups in any sunny location. Even better than its exciting, summertime hue is the fact that this Rose is so easy to grow, in fact, it, along with its Oso Easy® relatives, are the most rewarding, low maintenance flowering shrubs in the summer garden. The season long color will thrill you and the compact form will do the same! Make sure you feed this plant and all Roses regularly to get the best color and vigor. Proven Winners.

☀ H: 2-3' W: 3-4' Zones: 4-8

Rosa Oso Easy® Paprika USPP 18,347 Oso Easy® Paprika Rose

This mighty mite of a rose may be small but it blooms ferociously with a power rarely seen in far larger plants. Glossy green foliage emerges with an attractive red tinge and densely covers the plant, forming a compact, spreading carpet of green. Loads of tiny buds form bunches and open starting in early June to reveal large, single, shocking red-orange flowers with a bright yellow center. 'Oso Easy® Paprika' will bloom repeatedly through the summer, giving you a carpet of color on a plant that requires very little care, while resisting all the usual diseases that can plague some roses. Use this plant for low edging at the front of a bed or grouped together to make a colorful, easy to love groundcover in a sunny, well-drained location. Proven Winners.

☀ H: 12-18" W: 2-3' Zones: 5-8

Rosa Oso Easy® Peachy Cream Oso Easy® Peachy Cream Rose

When Gertrude Stein wrote "A rose is a rose is a rose is a rose" she certainly had not seen or grown Oso Easy® Peachy Cream. There is just no rose like it. With a form that is as wide as tall, this selection forms a tight, rounded mound loaded with glossy, deep green foliage that serves as the perfect backing for masses of double flowers that start soft peach and mature to a soft peachy-cream color. The clouds of pastel peach begin in late May and continue right on through the summer. Unlike some of the other Oso Easy® selections, Peachy Cream is almost formal in appearance making it perfect for a small landscape bed, for grouping with perennials or for using in a container for a full summer of color. Peachy Cream loves full sun, is oh so easy to care for and will out perform almost all the other non-rose flowering shrubs in your yard Proven Winners.

Rosa 'Paint The Town'

Rosa Peace *Peace Hybrid Tea Rose*

World famous and no wonder! This Hybrid Tea has been performing with dignity for more than 50 years with extra large, lemon-edged pink flowers on a rugged, tolerant plant. Unbeatable consistent!

⚙ H: 4-5' W: 2-3' Zones: 5-8

Rosa Peach Drift® *Peach Drift Rose*

(Northern Hardy) Dense and compact to a fault, Peach Drift® covers itself double, soft Peach colored blooms from mid spring onward providing concentrated, easy care color all season long in the landscape. With its pastel color and tight, non-straying form, Peach Drift® will be right at home mixing company with perennials in the garden or perennials and annuals in a container providing masses of easy care color backed by clean, medium green foliage. Drift Roses.

⚙ H: 12-18" W: 18-24" Zones: 4-8

Rosa 'Peace'

Rosa Peachy Keen™ *PP#25,628 Peachy Keen™ Landscape Rose*

NEW! This rose is an exceptionally disease resistant shrub rose. Flowers open a clear pink with a yellow center, then fade to a soft pastel pink covering clean, dark green foliage. Plant habit is very uniform and rounded. Blooms continually and consistently from spring through frost. This was the top scorer for aesthetics and disease resistance for Star Roses.

⚙ H: 30-36" W: 36-48" Zones: 5-9

Rosa Peachy Knock Out® *PP25,628 The Peachy Knock Out® Rose*

NEW! Don't let the delicate color of this new addition to the Knockout® Rose family fool you. While the flower color is a peachy pink shade built on the combination of pink color on the outside of the flower and a sunny yellow flower center, the pastel shade masks a rose that is a landscape work horse with strong disease resistance and a desire to bloom like crazy from spring through fall.

⚙ H: 3-4' W: 3-4' Zones: 4-8

Rosa Peach Drift®

ROSE:

Rosa Peppermint Pop™ to Rosa Popcorn Drift®

Rosa Peppermint Pop™ PP#22,172 Peppermint Pop™ Shrub Rose

NEW! A Star® Roses introduction, Peppermint Pop™ is an exquisite two toned, pink and white cup-shaped rose that adds a touch of personality and drama. Re-blooms very well from spring through frost. It also maintains a very uniform, tidy habit with the added bonus of being extremely disease resistant.

☼ H: 3-4' W: 3-4' Zones: 5-9

Rosa Perfume Delight Perfume Delight Hybrid Tea Rose

Every rose should have this type of scent... isn't that what roses are all about?? You'll be mesmerized by the strong, sweet old rose scent of this dependable plant and be pleased that you'll have plenty of opportunity to experience it since has such a long blooming season, from June to September, with a constant supply of big, double, deep rose pink Hybrid Tea flowers that are suitable for cutting. Place 'Perfume Delight' toward the garden since it is taller and vigorous, with strong canes and big deep green foliage that doesn't get lost in the shuffle.

☼ H: 4-5' W: 2-3' Zones: 5-8

Rosa Petite Knock Out® PP30,811 Petite Knock Out® Miniature Rose

NEW! Knockout Roses.

☼ H: 15-18" W: 15-18" Zones: 5-10

Rosa Pink Drift® 18,874 Pink Drift

(Northern Hardy) While slightly wider spreading than its Drift® brethren, Pink Drift® loses nothing in compactness as it forms a tight, spreading, pleasing form that looks good alone in a small space or grouped together in a larger one. And don't forget to try one or more in any large container you might have mixed with other spring and summer bloomers for a look that will get continuous envious glances from your neighbors. Constantly looking at the foliage covering display of single, deep pink, white eyed flowers from May to October might just make those envious neighbors think about making your planter their own! Drift Roses.

☼ H: 1-2' W: 3-3' Zones: 4-8

Rosa Pink Knock Out® PP18507 Pink Knock Out® Rose

The knockout legacy continues with this carefree, incredibly floriferous selection that mimics its famous namesake with a remarkable disease resistant nature and performance that will have you shaking your head in wonder. 'Pink Knockout' begins to bloom in late May and just never stops until the cold weather begins, covering itself with fluorescent pink, single flower over deep green, shiny foliage. 'Pink Knockout' is perfect for massive to create a low maintenance planting that will take your breath away! Knockout Roses.

☼ H: 3-4' W: 4-5' Zones: 5-8

Rosa Pinktopia Pinktopia Rose

(Northern Hardy) Get ready for the flowering time of your garden life with 'Pinktopia' a sparkling Easy Elegance® selection that will have you seeing pink all summer long. 'Pinktopia' is blessed with dense form that is filled with deep green, disease resistant foliage and a will to bloom so heavily that you might have to send out a search party to find the foliage. Bunches of buds form in late spring and begin opening in late May and early June to reveal 3" diameter, semi-double, medium pink colored flowers that just never seem to stop until frost hits in early fall. It's a blooming bonanza for your landscape that you'll have to contribute absolutely zero to make happen since 'Pinktopia' so winter hardy and so disease resistant.

☼ H: 3-4' W: 2-3' Zones: 4-8

Rosa Popcorn Drift® PPAF Popcorn Drift® Groundcover Rose

Popcorn Drift® represents a new color in the Drift® series. The color starts out yellow and fades to cream white, sometimes suffused with light pink. The overall impression is yellow and cream; reminiscent of buttery popcorn. Drift Roses.

ROSE:

Rosa 'Princess Alexandra of Kent' to Rosa Red Drift®

Rosa Princess Alexandra of Kent PP19828 *Princess Alexandra of Kent English Rose*

Named for Princess Alexandra, who is a cousin to Queen Elizabeth II. She is a keen gardener and great lover of roses. The rose that bears her name has unusually large flowers of a warm, glowing pink. They are full-petalled and deeply cupped in shape, enclosed in a ring of outer petals of a softer pink and nicely poised on a well-rounded shrub. They have a delicious fresh Tea fragrance which, interestingly, changes completely to lemon as the flower ages – eventually taking on additional hints of blackcurrants. David Austin Roses.

⚙ H: 3-3' W: 2-3' Zones: 5-8

Rosa 'Princess Alexandra of Kent'

Rosa Queen Elizabeth *Queen Elizabeth Grandiflora Rose*

This regal Grandiflora sets the standard for this rose type with its dependability and profusion of long-stemmed bunches of clear pink blossoms.

⚙ H: 5-6' W: 2-3' Zones: 5-8

Rosa Queen of Sweden PP17150 *Queen of Sweden English Rose*

Here we have a rose of exceptional freshness and beauty. The flowers start as charming little buds, gradually opening out to form wide but shallow cups. These are beautiful at all stages, and have a pleasing formality of form. The color is the softest glowing pink with hints of apricot. This rose forms a rather upright and bushy shrub and has attractive Musk Rose foliage that is exceptionally free of disease. The growth is short to medium in height. This is an excellent rose for bedding, borders or for arrangement in the house; the flowers lasting several days in water. Light myrrh fragrance. David Austin Roses.

⚙ H: 3-4' W: 2-2' Zones: 5-8

Rosa 'Queen Elizabeth'

Rosa Rainbow Knock Out® PP17346 *Rainbow Knock Out® Rose*

Be dazzled by this latest addition to the 'Knockout' Rose family that sports single flowers in massive numbers, featuring an ever-changing mixture of coral, yellow, pink and cream shades. Like all 'Knockouts', 'Rainbow Knockout' is less like a rose and more like the easiest, most rewarding flowering shrub anyone put in a landscape, with great disease resistance, superb foliage and an ability to bloom unabated while being virtual ignored by you! Its long, brilliant bloom season and its easy care nature will make you want to use 'Rainbow Knockout' in any sunny location possible! Knockout Roses.

⚙ H: 2-3' W: 3-4' Zones: 5-8

Rosa 'Queen of Sweden'

Rosa Rambling Red *Rambling Red Climbing Rose*

Long stems load up with masses of fully double, rich medium red colored flowers starting in June and continuing into the summer.

⚙ H: 6-10' W: 6-10' Zones: 3-9

Rosa Raspberry Rugostar® PP#15,937 *Raspberry Rugostar® Groundcover Rose*

NEW! A true groundcover version of the popular Rugosa rose. Deep pink blooms cover this low growing plant, beginning in June and lasting throughout the warm months. A light clove fragrance fills the air and enhances the appeal of this incredibly hardy and disease tolerant shrub.

⚙ H: 2-3' W: 3-4' Zones: 4-9

Rosa 'Rainbow Knock Out®'

Rosa Red Drift® PP17877 *Red Drift® Rose*

(Northern Hardy) Slightly different in form with a more cascading look rather than the more tight, compact, rounded look of its relatives, Red Drift® will bring a great, pendulous element to your landscape or a container with a flowing form that is accentuated by its massive bunches of small, eye catching red double flowers. Like all Drift® Roses, Red Drift® blooms long and powerfully from late May to mid fall and will be a low maintenance wonder along a walkway, in a small landscape sliver or in a container where its somewhat draping form make you gasp with delight. Drift Roses.

⚙ H: 1-2' W: 2-3' Zones: 4-8

Rosa 'Rambling Red'

ROSE:

Rosa Screaming Neon Red™ to Rosa 'Sunsprite'

Rosa Screaming Neon Red™

Rosa Screaming Neon Red™ *Screaming Neon Red™ Shrub Rose*

NEW! Intense color, superior performance. Screaming Neon Red™ is sure to be a standout for any garden. With vibrant flower power and repeat blooms throughout the season, this compact rose is the perfect choice as an accent or mass planting. Remarkably rich, disease resistant, dark green foliage provides the perfect backdrop to neon-red blooms. Foliage turns a lovely burgundy-red in fall. Comes with the renowned Easy Elegance Rose repeat blooming and disease resistance. Easy Elegance Roses.

⚙ H: 3-4' W: 2-3' Zones: 4-9

Rosa 'Strawberry Hill'

Rosa Strawberry Hill *PPAF Strawberry Hill English Rose*

Strawberry Hill bears medium sized, pure rose pink, cupped rosettes of superb quality. Their color gradually pales to a lighter pink at the edges of the petals, eventually exposing glimpses of yellow stamens at the center. The growth is tall, vigorous and rather informal, with small clusters of blooms held on slightly arching branches. Strawberry Hill is very healthy with glossy, dark green foliage. A strong and delicious myrrh (heather) honey fragrance. Strawberry Hill was awarded the Prix d'Honneur for fragrance from Nantes in 2007. David Austin Roses.

⚙ H: 3-4' W: 3-4' Zones: 5-8

Rosa Sun Flare *PP05001 Sun Flare Rose*

NEW!

⚙ H: 3-4" W: 2-3" Zones: 5-10

Rosa 'Sunny Knock Out®'

Rosa Sunny Knock Out® *PP18,562 Sunny Knock Out® Rose*

(Northern Hardy) Welcome the first non-pink or red flower color to the Knockout Rose family to your garden! It will stand out because of its color, there's no doubt about that, but it will also stand out because of its extreme vigor, outstanding disease resistance and a bloom that will make your heart melt. Loads of buds top deep green foliage from May to October, continually opening to reveal bright yellow, single, 3" diameter flowers that mature to creamy yellow as they age. The plants clean themselves, dropping their spent petals to promote garden neatness, and they are perfect for grouping in the landscape, getting them established in any sunny area then letting them alone to do their thing which will be to make your landscape look great without taxing you in the care process!! Knockout Roses.

⚙ H: 3-4' W: 2-3' Zones: 4-8

Rosa Sunset Horizon

Rosa Sunset Horizon *Sunset Horizon Rose*

NEW! Sure to brighten up any garden, this rose produces a large volume of flowers full of yellow and bright orange. It is easy to care for and attracts butterflies and pollinators. Plants That Work.

⚙ H: 2-3' W: 2-3' Zones: 5-9

Rosa Sunshine Daydream™

Rosa Sunshine Daydream™ *PPAF Sunshine Daydream™ Grandiflora Rose*

There is no denying the beauty of this rose and no denying its toughness. Free blooming all summer with bunches of big light, sunny yellow flowers, 'Sunshine Daydream' also performs magnificently when it comes to disease resistance. As tough as any landscape rose you can think of, this selection also is on its own root meaning it is cold hardy and the perfect 'no hassle' rose for your garden!

⚙ H: 3-4' W: 2-3' Zones: 5-9

Rosa Sunsprite *Sunsprite Floribunda Rose*

Rated one of the world's top ten roses, 'Sinsprite' will captivated you with its immense capacity to bloom, long-lasting yellow color, and its sweet licorice scent that will have you salivating. Combine those great traits with a dense, compact form and shiny, green, disease resistant foliage and you can see why this plant deserves all the accolates.

⚙ H: 3-4' W: 2-3' Zones: 5-8

ROSE:

Rosa Sweet Drift® to Rosa The White Drift®

Rosa Sweet Drift® *Sweet Drift Rose*

(Northern Hardy) Even without the outstanding flowers that Sweet Drift® features, you would probably love this plant just because of its incredibly glossy, deep green foliage that, by itself, makes this plant jump out in any landscape situation. Its clear, fully double, light pink flowers will make it jump even more with a display of pastel blooming power that will make you admire it spring, summer and into fall. Its tight low form, foliage and bloom combine to make it a great mixer in perennial gardens, a complementary wonder in a mixed container or an eye catching groundcover when massed in the landscape. Drift Roses.

⚙ H: 1-2' W: 2-3' Zones: 4-8

DRIFT®
GROUNDCOVER ROSES

Rosa Sweet Fragrance *PP#19,969 Sweet Fragrance Hybrid Tea Rose*

NEW! Hybrid-tea-shaped buds in striking shades of coral and orange accented by a deep yellow base swirl open to full, fragrant, apricot blossoms. Each bloom matures to salmon-pink, adding interest with the impressive range of tropical colors. Ever-blooming clusters of buds and flowers are held on sturdy canes, making Sweet Fragrance the perfect choice for cutting. A vigorous and upright grower with exceptional disease-resistance.

⚙ H: 2-4' W: 2-3' Zones: 5-9

Rosa The Alnwick® *Rose The Alnwick® Rose*

NEW! Pretty rich pink, cup shaped buds gradually open to a deeply cupped flower; later developing into a broad, full-petaled, shallow cup of a soft pink which is paler at the outer edges. The fragrance is classic Old Rose, with just a hint of raspberry. The plentiful polished green foliage perfectly compliments the flowers. David Austin Roses.

⚙ H: 3-4' W: 2-3' Zones: 5-10

Rosa The Fairy *The Fairy Rose*

(Northern Hardy) A tough, reliable performer. Compact habit with prolific, small, double-pink flowers. Excellent choice for a flowering low hedge in sunny areas.

⚙ H: 2-3' W: 3-5' Zones: 4-8

Rosa The Generous Gardener® *The Generous Gardener® English Rose*

A rose of delicate charm - its flowers being beautifully formed; their color a soft glowing pink at the center, shading to palest pink on the outer petals. When the petals open they expose numerous stamens, providing an almost water lily-like effect. It has strong, elegantly arching growth with polished dark green foliage. This rose would produce a wonderful effect towards the back of the border. It will also make an excellent climber and is highly disease-resistant. David Austin Roses.

⚙ H: 4-5' W: 3-4' Zones: 5-8

Rosa The Poet's Wife *PPAF The Poet's Wife English Shrub Rose*

⚙ H: 3-4' W: 3-4' Zones: 5-10

Rosa The White Drift® *PP15,960 The White Drift® Rose*

NEW! The White Drift® Rose is the newest addition to the prized Drift® series. It has clean, bright white, fully double blooms. It has a true ground cover habit, with the superior disease resistance you have come to expect from a Drift® Groundcover Rose. Drift Roses.

⚙ H: 12-18" W: 24-30" Zones: 5-11

DRIFT®
GROUNDCOVER ROSES

ROSE:

Rosa 'Thomas A Beckett' to Rosa 'White Dawn'

Rosa Thomas A Beckett *Thomas A Beckett Shrub Rose*

NEW! The old world fragrance is strong and full of lemon zest on these red open flowers. The medium sized flowers are loose and informal and tend to nod attractively on the shrub like form. It is that natural shrub like form that makes this rose at home in the mixed bed or along a fence line. The red color is hard to describe and even harder to photograph, as the light red petals age they take on a carmine hue. David Austin Roses.

⚙ H: 3-4' W: 2-3' Zones: 5-10

Rosa Thrive!® *PP23,549 Thrive!® Shrub Rose*

Thrive!® is a hardy shrub rose with prolific, long-lasting, fiery red blooms. We would expect nothing less from a descendant of The Knockout Rose®. It was its ability to hold its own as a strong and healthy rose that got it selected as one of the Top 10 Roses at the UGA Trail Gardens in 2012.

⚙ H: 4-5' W: 3-4' Zones: 5-9

Rosa Tranquility *PPAF Tranquility English Rose*

The English Musk Roses are notable for the perfection of their flowers and 'Tranquility' lives up to this reputation. The flowers are of a beautifully rounded shape with neatly placed petals, making up a perfect rosette. The opening buds are lightly tinged with yellow but as the flowers open they become pure white. There is a light apple fragrance. The growth is upright, gradually curving outwards at the top. It has typical light green Musk Rose foliage and is almost thornless. David Austin Roses.

⚙ H: 3-4' W: 2-3' Zones: 5-8

Rosa Valentines Day *PP#17,687 Valentines Day Climbing Rose*

I am sure Robert Burns was talking about Valentine's Day when he wrote A Red Red Rose since no rose can get any redder! A saturated deep red stays true from the inner most petal to the outermost petals creating a miniflora bouquet of the deepest red. Dark green leaves stay clean and show off the truly double flowers that repeat bloom from late spring till fall on both new and old wood. A smaller climbing rose this makes for a welcome addition to porches, low fences, balconies or even a large container with a trellis for the patio. Plant in full to part sun with moist, well-draining soils. Prune off spent blooms to encourage a repeat performance!

⚙ H: 6-10' W: 3-4' Zones: 5-9

Rosa Watercolors Home Run® *Watercolors Home Run® Rose*

NEW! Great color with great disease resistance make this rose a landscape must! Buds form in May and open throughout the summer showing off yellow single flowers with a pink blush that deepens as the flower ages. Long blooming! Superb, long blooming color. Easy care and hardy with great disease resistance. Perfect for use singly or in a mass planting and will thrive in a deck or patio container

⚙ H: 2-3' W: 2-3' Zones: 5-9

Rosa White Dawn *White Dawn Climbing Rose*

An old timer that just keeps performing. You'll love the profusion of medium size, double white flowers produced throughout the growing season by this tough, aggressive grower. Deep green, lustrous, disease resistant foliage serves as a great backdrop for bloom bunches that are produced on both new and old wood.

⚙ H: 10-12' W: 10-12' Zones: 5-8

ROSE:

Rosa 'White Out' to Rosa 'Yellow Submarine'

Rosa White Knock Out® PP20,273 White Knock Out® Rose

NEW! Bred by the creator of Knockout®, White Out™ brings strong growth and excellent disease resistance to the garden along with an unending succession of single white flowers surrounding a center of golden stamens that will populate the garden from May through October. Think of White Out™ as a more compact, vigorous 'Iceberg'...it will have that kind of effect on the garden. In fact, the breeder feels it's the best white shrub rose that has been introduced in decades...a strong endorsement from such a talented breeder. Try it yourself in groups to form a mass of white bloom that is even more pronounced when backed by the nearly black green foliage this selection serves up on each dense, compact plant.

☼ H: 3-4' W: 3-4' Zones: 4-10

Rosa 'White Out'

Rosa William Baffin William Baffin Climbing Rose

(Northern Hardy) This selection marries beautiful bloom and extreme hardiness to create a rose that is beautiful, even in the cold places that roses fear to go. Big, beautiful clusters of double, deep pink blossoms grace arching, spreading canes and are backed by deep, dark, disease-resistant foliage on this terrific, own-root plant.

☼ H: 8-10' W: 8-10' Zones: 3-8

Rosa 'William Baffin'

Rosa Winchester Cathedral PP8141 Winchester Cathedral English Rose

(Northern Hardy) 'Winchester Cathedral', besides being graced with an instantly recognizable name, is a plant graced with the same easy going nature and form of its parent, 'Mary Rose'. That's a great thing for your garden because the same floriferous nature is evident, too, meaning the plant is continually ablaze with big, double, loosely cupped, pure white flowers with a strong, pleasing old rose scent. These blooms are perfect for cutting and bringing inside and there will always be plenty on this dense, full growing plant with deep foliage that shows off the bloom even more. David Austin Roses.

☼ H: 3-4' W: 3-4' Zones: 5-8

Rosa 'Winchester Cathedral'

Rosa Winners Circle™ Winners Circle™ Climbing Rose

NEW! This superb climber from the breeder of The Knock Out® Rose is sure to become a household favorite. Highly disease resistant and winter hardy to zone 5, it is one of the most floriferous climbers. The brilliant fire engine red color is non-fading and can take the summer heat. In the fall, the semi-glossy foliage turns deep burgundy red and is home to bright orange hips.

☼ H: 10-12' W: 4-5' Zones: 5-9

Rosa 'Wollerton Old Hall'

Rosa Wollerton Old Hall Wollerton Old Hall English Rose

NEW! This is the most fragrant of this year's new varieties and, indeed, one of the most fragrant of all English Roses, with a distinctive myrrh scent. The plump buds have attractive flashes of red. These open to form round, rich buttery yellow colored blooms which eventually pale to a softer creamy color. Even when the flowers are fully open, they retain their beautifully rounded chalice shape. It forms a particularly healthy and bushy shrub with many stems shooting from the base. It remains relatively upright and has few thorns David Austin Roses.

☼ H: 4-5' W: 2-3' Zones: 5-8

Rosa 'Yellow Submarine'

Rosa Yellow Submarine Yellow Submarine Rose

(Northern Hardy) 'Yellow Submarine' may be the best yellow, own-root Rose available. That is a pretty strong statement but once you see this easy care, free bloomer in action, you'll wonder why you would grow any other yellow Rose, period! This selection is hardy, vigorous and upright growing with lustrous, medium green foliage and bud clusters that never seem to run out of buds! These buds begin to open in late May revealing big, double, deep lemon yellow flowers that seem to jump off the plant. Their color, size and form are in stark contrast to other own-root yellows and its vigorous, disease resistant nature is at least the equal to all the other Roses in this class. 'Yellow Submarine' will bloom continuously through the summer and will provide various pleasing shades of yellow color as they age to pastel yellow and finally to near white before they go by. Its blooms are suitable for cutting and its easy care nature means you only have to provide a sunny spot to make this plant shine once established. Plant 'Yellow Submarine' in groups and in amongst summer blooming perennials for an unforgettable show!

☼ H: 3-4' W: 2-3' Zones: 5-8

ROSE:

Rosa 'Zephirine Driuhin' to Rosa virginiana "

Rosa 'Zephirine Driuhin'

Rosa Zephirine Drouhin *Zephirine Drouhin Climbing Rose*

An old rose making a modern comeback! Big bunches of clustered, loosely formed pink flowers on thornless stems amaze with their sweet scent.

⚙ H: 8-12' W: 8-12' Zones: 4-8

Rosa cv. Celestial Night™ *PPAF Celestial Night™ Floribunda Rose*

NEW! This Floribunda is an extraordinary landscape rose that boasts large, double ruffled, plum-purple blooms. They also make a nice addition to a flower arrangements. Their beauty is long lasting, blooming late spring through fall.

⚙ H: 36-48" W: 24-36" Zones: 4-10

Rosa cv. Celestial Night™

Rosa palustris *Swamp Rose*

This wide ranging native is a staple of moist areas but is perfectly happy to grow in any landscape location and is a plant that brings a lot to the American Beauties landscape. Round and rather dense, it has deep green, 7 leaflet foliage that covers the plant well and provides excellent cover and nesting for a long list of native birds and small mammals. Even better, Swamp Rose has a long blooming period with 3" diameter single flowers of bold pink starting in June and continuing into September. These flowers provide a constant source of nectar for native bees and butterflies while the fruit from these flowers are a great bird food source. Plant this selection on its own or in groups and you and the local wildlife will love what it adds to the garden. American Beauties Native Plants®.

⚙ H: 6-7' W: 6-7' Zones: 3-8

Rosa rugosa Lotty's Love™ *PP22,570 Lotty's Love™ Rose*

NEW! This rose is a hybrid Rugosa with a strong cinnamon fragrance emanating from its large semi double 4-5" flowers that bloom through the season. The color of this rose has been described as mauve or beetroot purple, suffused with magenta as each flower matures. The eye is streaked with white and it boasts golden yellow stamens that contrast nicely with the petals. Like the species the foliage is a dark green and glossy, it's resistant to the common fungal diseases and it has a nice upright and bushy habit. Own root. First Editions.

⚙ H: 3-4' W: 3-4' Zones: 3-10

Rosa rugosa Lotty's Love™

Rosa rugosa Pink Pavement

⚙ H: 4-6" W: 3-4" Zones: 3-9

Rosa virginiana *Virginiana Rose*

Create a beautiful wildlife bonanza in your landscape with this American Beauties rose that everyone and every critter will prize! Virginia Rose is easy to grow with an abundance of deep brown, thorny stems that produce a considerable, spreading shrub covered with dark green foliage. The dense foliage provides a perfect living environment for birds and critters and they line up to live near this plant due to the gastronomic goodies it produces. Flowers open starting in June and continue right through August displaying a single, pink petalled, yellow centered, 2-3" diameter bloom that native bees, butterflies, and hummingbirds can't wait to visit. Adding to this food value, as fall nears, big, bright red rose hips mature providing a banquet for a who's who of native songbirds that lasts well into winter. Virginia Rose tolerates most any soil except one that's overly wet, thrives in full sun or partial shade and is one of the easiest, most rewarding roses you'll ever grow. American Beauties Native Plants®.

Rosa rugosa Pink Pavement

ROSE:

Rosa x Flamingo Kolorscape® to

Rosa x Flamingo Kolorscape® *Flamingo Kolorscape® Rose*

NEW! This long blooming rose will provide a border or container with vibrant pink color spring through fall. It's self cleaning so maintenance is low, and no deadheading is needed. Its fruitful fragrance brings delight to any flower bouquet.

⚙ H: 36-48" W: 24-28" Zones: 5-9

Rosa X Purple Pavement *Purple Pavement Rose*

A dense, rounded mound of a plant with a continuous show of semi-double purple-crimson flowers. Very hardy with bright red, bird attracting hips in the fall and winter months.

⚙ H: 2-3' W: 3-4' Zones: 3-8

Rosa X Snow Pavement *Snow Pavement Rose*

(Northern Hardy) So tough, so tolerant, so easy to grow, yet such a great rose for the garden. Snow Pavement gives you everything you want in a rose without any of the "Hybrid Tea" hassles! Related to *Rosa rugosa*. It has taken this plant's toughness and put it in a much refined form that is low, dense, and spreading and one that also delivers lots of bloom from June through September. Flowers buds appear constantly and open to fluffy, pale lavender, semi-double flowers that age to pale blush pink and, finally, to pure white. Blooms have the added bonus of being very fragrant while leaving big round hips behind post-bloom that color up bright red in the fall. Snow Pavement loves full sun and is rock against the normal disease problems that can plague roses.

⚙ H: 2-3' W: 3-5' Zones: 4-8
