Extra Large Dog	(71 lbs. and over)	\$ 14.00
Visit us 10 times, and your 11 <sup>th</sup> visit is free!		

Our Laundra-mutt offers an affordable, convenient and fun way to get your pet clean from nose to tail while leaving the messy clean-up to us. Our two self-service wash bays are available on a first-come first-served basis.

## Our Services include:

- 🐾 Elevated tubs
- 🐾 High velocity, pet safe dryer
- 🐾 Waterproof aprons
- 🐾 Grooming tools
- 🐾 Shampoo choices
- 🐾 Ear and dental wipes
- 🐾 Fluffy towels
- 🐾 Nail clippers
- 🐾 Automated controlled warm water

## Laundra-mutt Operations:

- 🐾 Dogs must be on a 6 foot or shorter leash when arriving at the Laundra-mutt
- 🐾 Dogs must be under the control of an adult at all times and should never be left unattended
- 🐾 Children 16 years old and younger must be under the supervision of a parent or responsible adult
- 🐾 Please take care of our equipment as if it were your own - items damaged by chewing, breaking, etc. are considered an “instant purchase” and will be added to your bill at check-out
- 🐾 Tubs and brushes are cleaned and disinfected after every use - please leave used tools and shampoo bottles in the tub so we can clean and refill them once you are done
- 🐾 Please put used towels in the provided hamper and refrain from using them to wipe up the floor (The staff will clean up any excess water on the floor when you are done)
- 🐾 Do not let hair go down the drain - put hair in waste basket between the tubs
- 🐾 Please leave your pet in the tub when using the forced air blowers - the blowers are to be used to remove excess hair and water from your pet’s coat and should not be used to get your dog completely dry
- 🐾 If your pet makes a mess, you are responsible for clean up
- 🐾 Please try to limit your time to 45 minutes from start to finish
- 🐾 Last wash starts ½ hour before closing

## Safety Concerns:

- 🐾 Don’t forget that **Wet Floors are Slippery** - please wear appropriate footwear
- 🐾 For everyone’s health and safety, dogs must be current with vaccinations such as Rabies, DHPL, Parvo, and Bordetella (If you are not a kennel, day care or bark park customer, you will need to provide proof of shots for your first visit to the Laundra-mutt)
- 🐾 Aggressive and/or disruptive dogs – including constant barkers - may be asked to leave at management’s discretion

- 🐾 If you need to wash your dog without other dogs around, we will be happy to make an appointment for you at an appropriate time

**Special considerations:**

- 🐾 We are a **Flea Free Zone** - if your dog has or might have fleas, come see us before you bring your dog for a bath so we can make sure your dog quickly gets the right treatment and relief while minimizing contact with other dogs
- 🐾 Please adhere to our **Skunk Policy** - wash your dog thoroughly at home at least once and pass our “sniff test” before you can use our facility

One recommended (and proven) Skunk Remedy consists of the following:

- ✓ 1 quart of 3% hydrogen peroxide
- ✓ ¼ cup of baking soda
- ✓ 1 to 2 teaspoons of **Dawn** liquid dish soap

Wash pet thoroughly with the mixture, working the solution deep into the fur. Leave the solution on for about 5 minutes or until the odor is gone. Keep the solution out of the eyes of your pet and away from any cuts on your hands - it will sting. After treatment thoroughly rinse with tepid tap water.

Immediately discard any excess solution down the drain.
