

## Hawthorne Spring Social 2026 Donation Request Form

On March 6, 2026, Hawthorne Scholastic Academy will host its annual spring fundraiser, the Spring Social, to celebrate our community, students and teachers while raising funds to support our incredible school. Our CPS Magnet School proudly enrolls more than 600 students who live all across the city of Chicago. Just last year Hawthorne received the prestigious Blue Ribbon School designation from the United States Department of Education; this fall, it was ranked #1 in Chicago Magazine's list of best public elementary schools in the city.

Hawthorne's spring fundraiser hosts more than 300 parents, teachers, staff and friends of Hawthorne for a night of cocktails, appetizers, entertainment, and an auction at Artifact Events in the Ravenswood neighborhood. The PTA is proud to keep this evening *free* for all parents and friends to attend. **We invite you to be a part of our event by making a tax-deductible donation of a product or service to our event.** Our fundraising goal is \$200,000.

The money raised at the Spring Social helps our PTA support the school and administration with their critical needs. We cover staff positions to ensure smaller classroom sizes to help with specific instruction around literacy and math. We assist with technology in the classrooms, an Arts Partnership program for each grade, and support field trips and sports teams as needed. We try to get as much donated as possible to keep our fundraiser expenses low so all money raised can go back to the school.

We are so grateful to all our sponsors and donors! We believe that donating to Hawthorne's spring fundraiser will be tremendous advertising for your business. As a thank you for partnering with us, we will give you special acknowledgement at the event, on the school's website and social media, and on the event website, where all attendees must go to RSVP to the event and bid on auction items.

**The Hawthorne students, teachers and families are the beneficiaries of your generosity, and we are forever grateful for your support.** Your donation will make a difference in the lives of our students AND it is tax deductible! Our Tax ID is 36-3586953.

Thank you for your consideration. We look forward to hearing from you!
