FROM THE PRESIDENT

August 1, 2025

I want to take a few minutes and express my sincere appreciation to a family that has made a generous donation to GASCAR. As many of you know, an individual close to GASCAR purchased a motorcycle from a friend who was dealing with a debilitating illness. Even though the friend intended to buy the motorcycle back after he was feeling better, his illness overtook him. Our benefactor could have turned around and sold the motorcycle for a profit or kept the bike for himself. Instead, this individual turned to the group of people he has known since he was a child attending GASCAR activities with his father. During our 50th Anniversary party, many of you could have spotted this person in the pictures of GASCAR monthly meetings and functions. After all, his father was a founding member and all-around classic car enthusiast. If you haven't heard about the motorcycle, it is a 2015 Harley Davidson Electra Glide Ultra Limited. It is a beautiful piece of craftsmanship and the largest motorcycle Harley Davidson produces. Yesterday, the last day of July, the bike was sold to Rev. Don Cummings, who is the pastor at Sweetwater Baptist Church in Thomson. The benefactor donated the money from the sale to GASCAR to use for the club. We will be forming a team to come up

with an appropriate donation to the AACA Museum in honor of the donor and his family, and their contributions to GASCAR and the classic car community. And if you happen to be driving by Sweetwater Baptist and see that beautiful motorcycle parked at the pastor's parsonage, honk your horn. Pastor Don will know what it means.
