## The President's Treetop View

By Diane Lessard, President

What a great first meeting to kickoff our 124th year!!! This meeting is always emotional. The VFW Post 1590 presented our country's colors. A moving memorial service was presented by **Andrea Pair**. We lost seven members this past year and two past members for a total of 299 years of service. **Diane Larsen**, Past President of the Daytona Beach Rotary Club, addressed us. Diane shared that the Rotary Club would help pay for a new screen and video system by donating 50% of the \$6700.00 cost. Our 50% will come from donations made to the club specifically designated for a new audio/video system. The Rotary Club will continue to help when possible.

To our **membership**: please consider making a donation to the club so we may forge ahead with improvements. There being a great deal of competition out there we must continue to enhance the Palmetto Club to become the best venue for events in the area. I am looking forward to this coming year.

The past presidents will begin preparing for our 125th year celebration. Our anniversary is December 5, 2020. We will keep you up to date with the plans as they are made..

See you on September 21st for our estate jewelry boutique and author **Kelly Lowe** will discuss her book 'The Sun Always Rises' Don't miss it. To make your reservation you may call Judy at 386-334-9304.

As always, remember to be kind to one another.

Love, *Diane*

## In Loving Memory

In our last year, we lost 299 years of service from our members who passed during the year. We honor:

**Carol Cann, 50 Years**  
**Jackie Kean, 16 Years**  
**Connie Rodriguez, 30 Years**

We thought of you with love today.  
But that is nothing new.  
We thought about you yesterday.  
And days before that too.  
We think of you in silence.  
We remember how you look.  
Now all we have is memories.  
And your pictures in our book.  
Your memory is our keepsake.  
With which we'll never part.  
God has you in his keeping.  
We have you in our heart.

### “The Sun Always Rises”

**KELLY LOWE** shares her story of how she escaped the shadow of loss to discover a beautiful new normal. Her narrative is honest in its lows and optimistic in its highs, and is both personal and universal. Her revelations are simple—as life is often more simple than we make it—yet complex enough that she finds no need to gloss over very real challenges. I believe you'll find her guidance to be wise and easy to follow.
