COMMEMORATIVE STONES

Annual Campaign

PLEASE NOTE THE NEW PRICE

Hopefully you have all had the chance to stop and see the memory stones on the walk in front of the community room at the new addition to the library. It offers an opportunity to reflect on the past, lend perspective to the present and recollect memories of those remembered there. We will be adding another group of stones to the walk this year Whether you choose to add your name, memorialize a loved one or honor a friend or relative, these stones will allow your special people to be remembered always.

The granite blocks are 8" x12" and can be inscribed with up to 5 lines with 15 characters per line at a cost of \$125 each. For more information call 625-8946 or 625-2360
