

REACH Alert

Instant Mass Communication

We understand the importance of communicating with you and ensuring that we keep you in the loop regarding events that may affect you, such as boil advisories, hydrant flushing, and cleanup dates. As a result, the Town of Milford is pleased to announce that we are initiating a new notification service called REACH Alert.

As good as this service is, if you don't register, we can't share important information with you. You decide if you want a text message, voice call, or an email. Each household can register up to 4 phone numbers and 4 email addresses. All you need to do is:

1. Go to www.reachalert.com and click on MY ACCOUNT.
2. Select CREATE ACCOUNT.
3. Follow the prompts and enter your preferred contact information.
4. Network Name: type Town of Milford (click on our name when it appears).
5. Select Resident
6. Enter your address and click on it when it appears in the drop-down list.

If you opted to receive text alerts, Reach Alert will send a text message to your cell phone immediately upon completion of your registration. Please enter the 4-digit number on the registration screen and then click the word VALIDATE. If you do not receive this message, please call Reach Alert.

Don't use a computer? No problem!! You can call REACH Alert to sign up at (877) 307-9313.

Register TODAY!! If you don't register, you won't receive our messages.
