

Partner with God

As I was preparing for today's message I felt God say, "There is power in agreement with My Word." Stop agreeing with your circumstances and start agreeing with God. There are situations in your life that you need to "Partner with God".

Job 22:21 says, "Agree with God, and be at peace; thereby good will come to you." This means when you agree with God and you will be at peace, and good will come to you.

Do you see this? When you agree with God, peace and good come!

Agreeing with God, is saying the same thing God says about your situation and seeing things the way He sees them. God has made it perfectly clear who He is and what He wants. He wants us to agree with Him.

Agreement is a legally binding arrangement between parties as to a course of action. It is the absence of incompatibility between two things.

I have no doubt that the failures in our life are rooted in the resistance to agree with God. Take time today (right now is good) to agree with Him. Agree that He is God, that you need Him in your life, and as you continually follow after Him, you will see His purposes established in your life.

- Lord, I agree that you are my God. I agree that I need you in my life. I agree that as I continually follow after You, I will see Your purposes established in my life.
- Lord, I agree that You will guide me into all the truth. I agree that Your mercy is new every morning and is covering me. Lord, I agree that You will fulfill Your purposes for me.
- Lord, I agree that Your steadfast love, endures forever and that You I will not forsake the work of Your hands within me.

- Lord, I agree that situations in my life may seem unfair, but You are my vindicator. I agree that all Your promises are true and that I am called to walk according to Your purposes for me.
- Lord, I agree that You have plans for me and that these plans are for my good and not for evil, to give me a future and a hope.
- Lord, I agree that I am Your workmanship, created in Christ Jesus to do good works, which You prepared in advance for me to do.
- I agree that I can do all things through You who strengthens me.
