## Let Freedom Ring

Although we celebrate America's freedom on July 4<sup>th</sup>, we should think much further back than 1776. Our freedom is centuries old, bestowed on us by God, Our Father. He loved us so much that He sacrificed His only son for us. He gave Him the power to perform miracles to show us that He truly was the son of God and was placed here on earth to teach us His ways, to show us His love, and to ensure us that everlasting life awaits those who fully put their trust in Him. Jesus suffered mercilessly on the cross because of His love for us. Think of the torture that He endured! He did this solely to give us our freedom - to give us HIS freedom.

By putting our faith in His hands, believing in His word, and trusting in Him, we will be free from the worst harm possible - we will be free from the clutches of Satan. By accepting Jesus as our Lord and Savior and living by His word, we will be rewarded mercifully in heaven. Because He gave His life for us, we will enjoy eternal freedom in His Kingdom! Pity those who die without Jesus in their lives for they will never know the everlasting freedom from death, from sin, from hate, from any of the earthly afflictions and problems that we face here on earth. They will never be free from the clutches of evil.

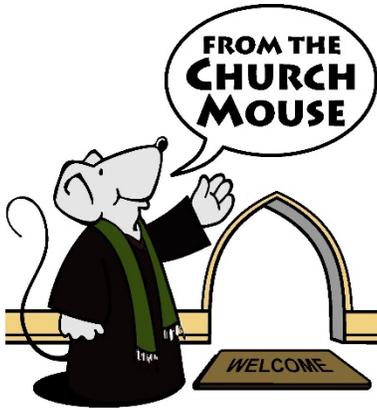

This Fourth of July, as we celebrate the freedom of our country, let us also celebrate the freedom that Jesus Christ has blessed us with. Indeed, CHRIST IS FREEDOM! Let us fill our hearts with His glory and honor as we celebrate this day, and every day thereafter. As we gaze up at the fireworks illuminating the sky, think of the gates of heaven opening up and welcoming us HOME!

*"For God so loved the world, that he gave his only Son, that whoever believes in him should not perish but have eternal life" - John 3:16*

Thanks be to God,

*Sue Anderson*

Well, we're in the heat of Summer now! I'm all excited about seeing the fireworks on the Fourth of July! I bet you are, too! We're going to the country...Auburn, I think...where there will be lots of fun all day long. We'll scope out a spot on the hill and lay our blanket out so we can lay back and enjoy ourselves. I think I'll bring my light saber cuz, well, it lights up. Haha! Not only that, but it lights up with three colors! Can you guess which ones? Yep! Red, white and blue! It will be lots of fun. I think we're meeting our cousins there, too. I love celebrations where we can get together like that. Last year I got one of those red, white and blue rocket pops. Good thing we were outside cuz it sure did drip! BUT it was nice and cold and

sooo refreshing.

Do you know how old our country is? 247! (I wouldn't even TRY to blow out all those candles!) That sounds like a lot to me but in history, we're just a baby! Happy birthday, America! I never knew it but North America was first formed 6,000 years ago! Wow! The first settlement was 435 years ago but didn't last long because of the lack of supplies and harsh living conditions. That was in 1587. The first SUCCESSFUL settlement was in 1609. Despite the harsh living conditions, lack of provisions and aggressive natives, they persevered and created a successful settlement in Jamestown, VA. Our history sure is interesting! Whatever you're doing, I hope you have a wonderful Independence Day!

See you in church!

Your friendly church mouse, Nick

**Welcome Back Russ!**

## Carty Cupboard

### The First Sunday of Every Month

Summer's here and school is out. Let us remember that kids are eating more at home now. Donating jam or jelly in plastic jars, cereal, protein bars, fruit cups, yogurt covered raisins, easily prepared mac & cheese and condiments are some good choices for them. In February and March, we donated 20 bags of groceries; in April we donated 9 bags; in May it was 6 bags and in June we dwindled down to only 5 bags of groceries. Please help us get our numbers back up! Carty truly appreciates all that we donate. Thank you!

*"Each one must give as he has decided in his heart, not reluctantly or under compulsion for God loves a cheerful giver." - 2 Corinthians 9:7*

**See you in September**

Fellowship will not be meeting for the summer.

Please continue your prayers for our Search Committee as they actively seek a new pastor.

## “Ashes to Missions”

As you know, the First Congregational Church of Spencer suffered a devastating fire on June 2<sup>nd</sup>. Along with our heartfelt prayers, they also are in need of any monetary support we can give them as they contemplate how they will move forward.

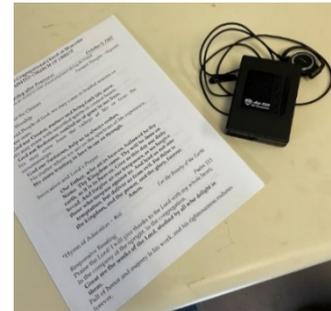

As a church, our Missions Committee will donate \$100. Our Deacons Committee will add the Deacons Fund collection that will be taken on Sunday, July 2<sup>nd</sup> along with any loose money collected on that day. We will combine it all and will donate it to the FCC of Spencer to aid them in moving forward in their transition. Let us be generous in our love and support for them. Donations can also be sent to Cornerstone Bank or through their church website, for their “[Ashes to Missions](#)” fund. The link is also posted on our Facebook page. Thank you and may God richly bless you for your support during this most difficult time.

## Accessibility Items Available for Worship!

Did you know that we now offer large print bulletins? That's right! They are available in the narthex as you enter the sanctuary. We also have hearing assistance devices that make hearing what is said at the pulpit much easier! They are also in a basket on the table in the narthex.

## Carpet Fund

Our sincere thanks for your continued contributions to our Teddy Bear Jar in the narthex before the service and in the parlor following it. At last count we had about \$350. They're growing, slowly but surely!

*"The only ones among you who will be really happy are those who will have sought and found how to serve."~ Albert Schweitzer*

## Deacons Fund

On the first Sunday of every month, we collect money that is used to provide one-time, emergency assistance to a neighbor in need. Your contributions are greatly appreciated! Thank you and God bless!
