Biographical Sketch

At CCS since: 2008

Church: Potters House

Education: Bachelor of Arts in Visual Arts/Photography
College Board certified to teach AP Calculus AB

Experience: Taught Algebra 1, Algebra 2, and Geometry for 2 years @ CCS
Taught PreCalculus and AP Calculus for 1 year @ CCS

Vision for Classroom: My vision as the math teacher at CCS is to see all students become proficient in math. God had given me a heart for those students who think they are “no good at math” and a gift to help them. More importantly though is my vision as a Christian. I want all students at CCS to have a personal relationship with Jesus Christ that goes with them when they graduate.

Testimony: While I grew up going to church, I did not become a Christian until later in my life. I had never heard of salvation through Jesus Christ. I knew He died for my sins, but I thought that all I had to do was try to be good, and I would go to heaven. I thought I was a good person because I didn't drink or do drugs, I hadn't killed anyone, and I tried to obey the law. But I was filled with anger, bitterness, and hatred, and I was on the verge of divorcing my husband. I knew something was missing in my life. I cried out for God to show me how to do His will, and He heard my cries. I gave my life to Jesus Christ on May 13, 2003 in Hampton, Virginia. He instantly filled my heart with joy and peace. He changed my heart towards my husband and saved my marriage. He healed me from sickness. He brought me to Clovis, NM and Clovis Christian School. I am forever grateful. *“If we confess our sins, He is faithful and just to forgive us our sins and to cleanse us from all unrighteousness”* 1 John 1:9
