## BE GREEN!!!

By recycling just one ink and toner cartridge, you can save two and a half pounds of metal and plastic from the landfill and half a gallon of oil that would otherwise be used to make a new cartridge for your printer, according to Office Depot. So bring your cartridges into your local office supply store or mail toners back to manufacturer with recycle label that they send with it!

For more information or reservations, you can call: (518) 393-4169, email: [dslcnny@nybiz.rr.com](mailto:dslcnny@nybiz.rr.com), fax: (518) 393-4525, or go to our web site: [www.dslcnny.org](http://www.dslcnny.org).
