

Guidelines for Gathering & Exploring

1. Guideline for Gathering

- A. *My belief system will be large enough to include all facts.*
- B. *I give you permission to examine and question my beliefs.*
- C. *I will change my belief if errors are discovered.*
- D. *I will change my belief if new facts are discovered.*

2. Guideline for Exploring

- A. The **Source** writes or speaks words to the **Receptor**.
- B. **Words** are symbols or sounds with attached meanings.
- C. **Meanings** are products of the Source's time period, geographical location, culture, and personal experiences.
- D. Words must be examined in their **original context**.
- E. It is the **Receptor's responsibility** to determine the Source's meanings and view the message through the Source's eyes.

3. **Confirmation** of the acceptance of the above guidelines by all participants.
