Providers That Operate Within Kittson Memorial Healthcare Center

Medical service expenses for a patient can generally be categorized as either hospital fees or provider fees. All hospital fees for emergency medical care and other medically necessary care are eligible for financial assistance under this policy. However, not all provider fees are eligible for financial assistance under this policy.

The following information is provided to assist the public in understanding which provider fees are eligible for financial assistance under this policy. If this information is unclear, you may contact Patient Financial Services at Kittson Memorial Healthcare Center (“Hospital”) by calling 1-800-843-6016 or 218-843-3612 for assistance.

Hospital defines a “provider” as a physician or similarly credentialed individual. Providers do not include nurses or technicians.
