ARTICLE 10

PROMOTIONAL POLICY

10.1 Recognizing the importance of education, experience, and performance upon evaluating candidates for promotion, a professional selection process has been determined for selection of sergeants and is outlined in this article. Notice of the promotional opportunity will be provided to all bargaining unit members at least two weeks prior to the deadline for letters of interest and at least thirty days prior to the testing date. The examination will cover five (5) areas including a written exam, proficiency/experience, education, oral board and Chief's interview. These areas will be scored in the following manner:

- A. Written Exam – 25 points
- B. Proficiency and Experience – 20 points
- C. Education – 20 points
- D. Oral Board – 25 points
- E. Chief's Interview – 10 points

SCORING METHOD

A. Written Exam (25 points): The written exam is 100 questions, with the number of correct answers resulting in a numerical score, which is then multiplied by .25 resulting in a final exam score. A candidate must earn a minimum of 20 points (80%) to move forward in the selection process. The below formula will then be utilized for candidates moving forward. (Example - 85 correct answers x .25 = 21.25 points.)

The questions from the written exam will be from the following three sources.

- Holly Hill Police Department Policy and Procedure Directives (current)
 - Florida State Statutes (current publication)
 - Police Leadership book (as approved by the Police Chief)
- B. Proficiency and Experience (20 points):

1. Proficiency (10 points) - The last three annual City of Holly Hill evaluations are compiled for a potential maximum score of 180, which is divided into the actual scores. Maximum amount on each evaluation is worth 60 points. Points collected from Overall Evaluation Rating. If an applicant is using prior evaluations from another department and the scale does not rate with the HHPD, the Chief and Captain will obtain the prior evaluations and rank them using HHPD's system. The ranking is final.

Evaluation Breakdown: Exceeds Standards = 60 points
Meets Standards = 40 points
Needs Improvement = 0 points
Fails to Meets Standards = 0 points

Total Example - $60+60+40=160$ divided by 180 = 88.88. This is then divided by 10 which equals 8.88 points.

2. Experience (10 points) - Number of full-time years as a police officer multiplied by .50, plus the number of part time years as a police officer multiplied by .25, for a maximum total of 10. To receive points for "Experience", applicants must complete the approved "Experience Qualifier Sheet".

Example: 15 years as a full time LEO and 4 years as a part-time LEO
 $15 \times .50 = 7.5$, plus $4 \times .25 = 1$ for a total score of 8.5

In this example the candidate would receive a total score of 17.38 points ($8.88+8.5$).

C. Education (20 points): Points are assigned based on the college credit hours obtained as well as career development or advanced law enforcement training courses taken. To receive points for Education, applicants must complete the approved "Educational Qualifier Sheet" and provide supporting documentation. A certified transcript is required to receive college credit for individual classes which did not result in a degree. A copy of the diploma is required to support a degree claim; a transcript will not be required to support a degree claim, if it is listed with FDLE.

D. Oral Board (25 points): Assessment team will be made up of at least three assessors from outside the Holly Hill Police Department. A score sheet with prepared law enforcement type questions and scenarios will be provided to each assessor. A combined score will be obtained for a final numerical score.

E. Chief's Interview (10 points): The Chief's Interview will be completed on an announced date. The Chief will convene with each of the available Sergeants in order to receive feedback on each candidate.

ELIGIBILITY LIST

Based upon the results of the process described in this article, an eligibility list shall be created for the announced promotional opportunity. This list shall be effective for 12 months from the date in which it is established or until the next promotional exam for the position is given, whichever occurs first.

The police chief is granted the authority to select from among the top 3 scoring candidates for any vacancy.

10.2 The City agrees that the probationary period shall be six (6) months duration of active duty. Where a probationary bargaining unit member is incapacitated because of illness or injury the probationary period shall be extended to reflect that time off active duty.

Seniority will continue to accrue during all types of leave, except for leave of absence without pay for one month or more, which shall cause the seniority date to be adjusted forward for an equivalent amount of time. Leaves of absence without pay for a period of less than 31 calendar days shall not cause a seniority date to be adjusted.

11.2 Bargaining unit members shall lose their seniority as a result of the following:

When ties exist on the retention register, seniority is used to establish the retention roster, and work performance, based on an assessment of bargaining unit member performance evaluations shall be

used to determine the order of separation.

11.4 Names of bargaining unit members laid off by the City will be maintained on a recall register for a period of (18) month. During this period, should an appropriate job become available, the former bargaining unit member will be notified.

Should a laid off bargaining unit member refuse one (1) job opportunity offered by the City, his/her name shall be removed from the recall register.

11.5 Recall will be offered to laid off bargaining unit members provided they are physically and psychologically qualified to perform the duties of the job. A laid off bargaining unit member who is offered recall and is temporarily unable to accept due to medical reasons, loses his right to recall at that time but shall remain eligible for recall rights until the expiration of his or her recall right period. When bargaining unit members are recalled from layoff, the recall will be based on the following criteria; past work performance, attendance and seniority. In the event there is one bargaining unit member on the Recall Register, that bargaining unit member would be offered recall.

11.6 Vacations for each calendar year shall be scheduled for bargaining unit members on the basis of seniority preference; provided, however, that the Department shall retain the right to disregard seniority preference in the event it becomes necessary to do so in order to provide adequate coverage in certain specialized areas during any vacation period. The senior bargaining unit member is not entitled to "bump" a less senior bargaining unit member if a vacation request has been received and approved in advance by the Police Chief or designee in advance of a request submitted by the senior bargaining unit member. Nothing contained herein shall be interpreted as restricting the Department's rights to cancel all vacations during any given period in the event of disaster or emergency.

11.7 In filling a non-promotional vacancy in any division or unit within the Department, seniority will be considered along with skills, abilities, and the requirements of the job.

ARTICLE 12

PROBATIONARY PERIOD

12.1 All new members in the bargaining unit who are hired, regardless of their classification, shall be considered on probation for a period of 12 months, from date of hire, during which time they shall not be entitled to any seniority or tenure rights

12.2 Any approved leave of absence in excess of ten days shall cause the bargaining unit member's probationary period to be extended by the amount equal to the leave taken. All bargaining unit members on probationary status shall not have recourse to the grievance procedure in any matter of discipline, termination or layoff. The first step (between the bargaining unit member and his immediate supervisor) shall be on an informal and oral basis, in the form of a meeting, and shall not involve the Association or any other representative of the bargaining unit member unless requested by the bargaining unit member. Discussions will be informal for the purpose of settling the alleged difference in the simplest and most direct manner. The supervisor shall reach a decision and communicate it orally or in writing to the grievant within ten days of the date the grievance was

All costs associated with said appeal will be borne by the party seeking review by the Court. However, if the Court reverses the finding of the arbitrator, the party appealing the original decision will not be responsible for the costs of the other party.

17.7 Each party shall bear the expenses of its own witnesses and of its own representatives for purposes of the arbitration hearing. Any party desiring a transcript of the hearing shall bear the cost of

such transcript unless both parties mutually agree to share said cost. The City and the Union will share equally the cost of the arbitrator.

Any such award which contravenes or is not in compliance with the provisions of this paragraph shall be null and void.

PHYSICAL EXAMINATION AND WORKERS COMPENSATION BENEFITS

29.1 A permanent bargaining unit member covered hereunder who is injured in the line of duty shall receive all rights and privileges as outlined in the Florida Statutes, Section 440.

29.2 At the request of the Chief of Police, the City Manager may direct any bargaining unit member covered hereunder to submit to a physical and/or mental examination conducted by a physician.

The sole purpose of such examination shall be to determine whether the bargaining unit member has a physical or mental disability which impairs his effectiveness as a police officer, limits his ability to perform his assigned duties, or make his continuation in his job a danger to himself, the public or other department bargaining unit members. In the event the City Manager, in consultation with the Chief of Police and the designated physician, determines that a non-job related disability does exist, the following action shall be taken.

1. If the designated physician determines that the disability can be corrected, the bargaining unit member shall be allowed a specified time to have it corrected. During this period of time, and after consulting with the Chief of Police, the City Manager, in his discretion, may permit the bargaining unit member to continue with his normal duties, reassign the bargaining unit member to other duties with the City or temporarily remove the bargaining unit member from City service. Should the bargaining unit member be temporarily removed from City service during the period of time specified for the correction of his disability, the bargaining unit member may utilize his annual leave, sick leave or leave without pay for the correctional period. However, if the bargaining unit member fails to take the necessary steps to have the disability corrected within the specified period of time he shall be subjected to dismissal from City service.

2. If, in the opinion of the designated physician, the disability cannot be corrected, the City Manager in consultation with the Chief of Police, shall attempt to place the bargaining unit

member in another City position which, in the City Manager's discretion, the bargaining unit member can perform satisfactorily. Nothing herein shall require the City Manager to create a position for the bargaining unit member or place the bargaining unit member in a position which, in the City Manager's discretion, need not be filled. If the City Manager determines that the bargaining unit member cannot successfully be placed in another position or if the City Manager in consultation with the Department Head involved, determines that the bargaining unit member once placed in another position, is unable to perform satisfactorily in that position, the City shall separate the bargaining unit member from the City's service either through retirement, if available under the City retirement system, or through dismissal.

29.3 Nothing contained in this Article shall apply to disabilities which occurred prior to the effective date of this agreement.
