

## National Drive Round Pen Rules

We will have a 35' round pen set up in Baker Warmup Arena, located just south of Baker Arena and behind our safety check area. This is NOT meant to be an "all-day turnout".

1. Signup sheet is in the office.
2. May not reserve consecutive "hours".
3. Time may be shared with others as appropriate.
4. No feed or hay is allowed. Water buckets are okay.
5. Poop must be cleaned up. Fork and muck bucket will be available.
6. Horse(s) must not be left unattended.
7. Hours are when office is open, normally 8-5. May be expanded as needed.
8. Pen will be locked when not in use, especially at night. Check in at office if there are any issues.
9. Please clean up promptly before the next renter arrives. Thank you.
