The Baptist General Convention of Virginia is pleased to present
Master Classes on *New Infrastructures of Post-Pandemic Ministry*

After more than two years of virtual, pandemic ministry, the religious community is striving to resume in-person worship and ministry activities. In doing so, ministers and church leaders are finding that their post-pandemic congregations are vastly different than they were before the pandemic began. Churches and church leaders alike are now exploring new methodologies and models of ministry which will enable them to remain relevant in teaching and spreading the Gospel of Jesus Christ.

Master Classes present information that is based on proven successes of the teacher's ministry. As a student in the BGC Master Class, you will be afforded the opportunity to learn from a Master Teacher's ministry context as an example of what can and should be done in your church's ministry. Each Master Class module will include a lecture, a sermon, a class, and a plenary which will offer ways to integrate all aspects of ministry in one's life, ministry, and service to the Kingdom of GOD.

Let your Master Class at the 123rd Annual Session and Congress of Christian Faith Formation of the Baptist General Convention of Virginia's Begin!!!

Please choose **one** of the following that best describes your spiritual passion for ministry!

Your **Master Class Module** will be designed to fit your ministry spiritual passion.

- **Master Class on Worship & Fellowship:** The Missing Element – Worship enhanced by fellowship. Models of worship designed to revive the spirit of fellowship within the socially distanced church and community.
- **Master Class on Leadership & Followership:** We are All Followers – The spiritual leader is one who never stops following. It is the willingness to be led that transforms followers into leaders. Church leaders must first experience being led before they can learn how to lead.
- **Master Class on Discipleship & Stewardship:** Good stewardship of God's Spiritual Gifts as an essential of Discipleship to Christ. New models of leadership that strengthen volunteerism and ministry involvement within your congregation.
- **Master Class on Friendship Evangelism:** How to reach inactive church members (inreach) and unchurched friends in the community (outreach). New paradigms of evangelism that energizes and revitalizes both your congregation and community.

Master Classes

Monday—Thursday from 10:15—11:45 AM

All classes will be done in media/PowerPoint format and shared with students who sign up for a particular master class.
