FRIENDLY NEIGHBORHOOD REMINDERS

- **TRASH & RECYCLE CANS:** *When placing out for weekly pickup, please keep all bins off the street and curb. Place at either the edge of yard or driveway. Please help keep the streets clear for traffic coming through.*
- **STREET LIGHTS:** *If you see a street light out or malfunctioning, please contact Duke or REMC to report the issue.*
- **TREES & BUSHES:** *If any planted near the street on your property, please keep trimmed and make sure they are not obstructing the view for traffic and/or pedestrians.*
- **STORM DRAINS:** *If there is a storm drain at the edge/curb of your property, please remember to clean around and remove any leaves or trash to help with drainage.*
- **LEAVES & LIMBS:** *Remember to keep leaf piles and fallen limbs to the edge of your yard, not in the street. Also, to keep at least 2' from mailboxes on either side for when the city sends out pickup.*
- **BICYCLES & PEDESTRIANS:** ***Per Indiana law, bicyclists are considered vehicles and should drive on the right side of the road. Pedestrians, on the other hand, should walk facing traffic. This helps pedestrians see oncoming traffic in the event that a driver is not paying attention.***
- **SAFETY VESTS:** *If you are HOA Member and would like a complimentary reflective safety vest for walking/running/biking the neighborhood, send an e-mail to info@vallevistahoa.org. The vests are oversized to fit most people.*
- **SPEED LIMIT:** *Please honor the neighborhood speed limit of 25 mph. Be considerate of those walking or riding on the streets, especially when visibility is limited.*
- **HOUSE NUMBER:** *Is your house number visible from the street in the event of an emergency?*
- **GRASS:** *Keep your grass mowed and under 8" to avoid notices from the city.*
