Women of Beth Shalom

Celebrate the Joy of the Women of Beth Shalom

Who We Are: The Women of Beth Shalom are a vital partner in helping our Congregation enrich the lives of our members and the surrounding community. The Women of Beth Shalom gives each of us the opportunity to combine our heritage of Jewish culture, values, and traditions with our need and desire for personal growth, purposeful action, and meaningful service. We promote learning and spirituality while helping our members develop new friendships, share in mitzvot, and get involved in synagogue life.

Get Involved: As women in our community, we strive to ensure that each member's experience is meaningful. We provide many ways for individuals to get involved, such as serving on one of our exciting and rewarding committees. This is a great way to make a real difference, while making new friends. Our wide variety of events that are scheduled throughout the year reach out to women with a great range of interests. Our committees include:

- *Meet & Greet in the Sukkah
- *Women's Seder
- *Lunch & Learn
- *Social Action
- *Education
- * Mah Jongg
- * Fundraising
- * Torah Study
- * Ladies Night Out

Membership: For an annual fee of \$40.00, you can support The Women of Beth Shalom (WBS), so we can support your dreams and the dreams of our community. Included in our dues is a membership to Women of Reform Judaism, a network that represents the voice of Reform Jewish Women Worldwide.

Join us for our first event on Thursday, August 24 at more information and Evite to follow. We will also be holding out Annual Meet & Greet Dinner under the Sukkah October 3 - more information to follow!

If you have any questions or would like more information, please feel free to contact:
