Whether he's in a competitive spinoff situation or if he needs to rock a crowd, Milwaukee's **DR.B** has DJ skills and music programming instincts that are as tight as you'll find anywhere. In a DJ battle he doesn't just dazzle with manual dexterity, he entertains and puts a smile on your face – a rare combination. At a party or a club he drops the right jams and always pushes the proceedings to a bumpin' high.

“I have known **Doc B** for a few years. In that short time I have witnessed someone who cares. Cares about the music, cares about his city, and most of all cares about people. He is the genuine article. Nothing fake. People gravitate to him. Great smile and awesome personality.”

Seems this guy just can't be beat! Whenever he shows up for a DJ competition, Milwaukee's world famous **DR.B** tears the roof off the sucker. Not bad for a house call.
