PUBLISHED BY THE
UNLIMITED NEWSJOURNAL

WHAT'S ON THE COVER?

(1) Jack Regas won nine races during his career, including the 1958 APBA Gold Cup. He saw action behind the wheel of hydroplanes such as *Scooter Too*, *Hawaii Ka'i III*, *Miss Bardahl*, and *Notre Dame*. ... **(2)** Bill Muncey in the cockpit of *Atlas Van Lines* in 1974. Muncey was one of hydroplane racing's greatest champions. ... **(3)** *Spirit of Qatar* rounds the Roostertail Turn in Detroit in 2012. During its 12 seasons, this hull won a total of 27 races, which is the most by any boat in the sport's history. ... **(4)** George Reis drove *El Lagarto* to nine race victories, including three straight APBA Gold Cups from 1933 to 1935. ... **(5)** *Miss HomeStreet* is the reigning national champion and has earned that title for the last three seasons. ... **(6)** Sir Malcolm Campbell held the world's straightaway water speed record from 1937 to 1950. He also was the first person in history to drive an automobile at more than 300 mph. ... **(7)** The pits for the 1918 APBA Gold Cup in Detroit. The boat shown here would become the race winner, Gar Wood's *Miss Detroit III*. ... **(8)** J. Stuart Blackton helped launch the career of Chris Smith, who built many of the top race boats in the early years of the sport. His wife, Paula, owned *Baby Speed Demon II*, which won the 1914 APBA Gold Cup ... **(9)** Stanley Dollar drove *Skip-A-Long* to victory in the 1949 Harmsworth Trophy race. ... **(10)** Last season's Gold Cup champion Corey Peabody. ... **(11)** Jim Lucero was one of the sport's most successful crew chiefs, winning a total of 69 races for teams such as *Pay 'n Pak*, *Atlas Van Lines*, *Miller American*, and *Winston Eagle*. ... **(12)** The *Tide* is shown here in 1994. The boat was owned by Bill Wurster and has the second-most race appearances for an individual owner. ... **(13)** Count Casimir Mankowski drove *Ankle Deep* to victory in the 1913 APBA Gold Cup ... **(14)** Shirley Mendelson McDonald campaigned a series of boats named *Notre Dame* from 1962 to 1973. ... **(15)** Bill Harrah was a Nevada casino owner who got into hydroplane racing in 1962 with a boat named *Tahoe Miss*. He won eight races during his career, including the 1966 APBA Gold Cup ... **(16)** Herb Mendelson (Shirley Mendelson McDonald's father) owned several race boats named *Notre Dame* in the mid-1930s and into the '40s and won the 1937 APBA Gold Cup. The *Notre Dame* pictured here is powered with a 24-cylinder Duesenberg engine.

Records vs. Statistics A record is an achievement that is officially recognized. In almost all cases, the driver or owner will receive a trophy or certificate indicating that the race has been won or a record has been established. A statistic is an unofficial achievement. The statistical rankings included in this publication were developed through the analysis of heat results and other statistical data.

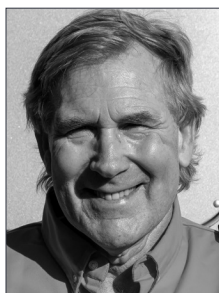

What is a race? The information in this Record Book includes the results of all "official races" that took place since 1922, which is when the Gold Cup class was established. It also includes Gold Cup races and some Harmsworth races that were held previous to 1922. To be counted among the 710 official races listed here, an event must meet two conditions: 1) at least three starters of the Unlimited-class, Gold Cup-class, the 725-class in Mississippi Valley Power Boat Association events, or equivalent; and 2) at least two heats of racing. The results of free-for-all events, for example, which were just one heat and were common during the years before World War II, are not counted in these records. Many exhibition races included several limited-class boats but only one or two Gold Cup-class boats and also wouldn't be counted in these records.

Who's the driver? In the case where more than one person handled the steering wheel during an event that ended up being a victory for that boat, the person who drove the boat in the event's last heat is given credit for the win.

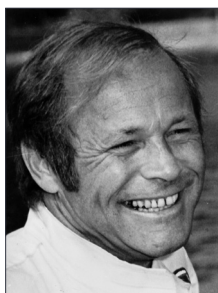

What is a race team? An individual boat earns a different set of performance statistics for each of its owners. For example, if a boat is owned by three different people during its career, it would have been part of three different race teams and would accumulate three separate sets of performance results.

HULL NUMBER: The number provides a way to differentiate one hull from the others. The first two digits is the year the boat first appeared and the last two or three digits is the U number that it had when it appeared. The *Miss HomeStreet* that appeared in 2018 with U-1, for instance, has the Hull Number #1801.

The following statistics are from races held since World War II.
