FROM THE PRES

Well we sure have had some sort of summer. HOT, HOT, HOT. Thank goodness we have an air conditioned training building. Everyone sure appreciates that.

Things are moving along at Club nicely. We are 2/3rds through the Summer session already. I know that usually attendance is down in the summer because of vacations and other things but this year it seemed to be pretty good. Hope everyone has accomplished things this summer in their training.

New things will be happening too in the fall. Watch for them in the newsletter, on the bulletin boards or through the social media. I believe the Rally workshop is continuing on Tuesday and then a trick training will be held. Also there are rumors around about scent work if that can be gotten off the ground with proper instructors etc. This is a busy place almost every day.

But with that being said, we need more members to come forth to help with the classes. If you are so inclined it would be great if you volunteered to be an instructor and/or apprentice to learn the ropes so that it can give our present instructors time off too. There are many benefits to being an instructor at our club. Talk to Chris Getter (the one with Chili ad Brody) about becoming one of these people.

We have a great team of instructors at club. They give of their time and themselves each week to get our dogs and humans trained to have a good household pet or one that will go onto maybe competing at the various things. Remember, even though you might not want to trial your dog in obedience or rally, the basic obedience in the dog is very valuable for the other venues that are out there also. You need a well behaved dog for those areas too.

4th Friday run thurs are a great time to see where your dog is in your training and socializing. We also have a great crew there too that volunteers each month. They will return in September and October. So when Linda Warn puts out the slip to ask for the various volunteers sign up and have a fun evening with your friends and dogs. You get a run thru the night that you volunteer plus you get a slip good for a run thru at a future time.

We are coming up, in fact as I am writing this, we have been in this building 19 years. So with next year being our 20th year, a special picnic celebration will be planned. But in the meantime, also sign up for the picnic on the 22nd of September. We know there is a show at Sheboygan Kennel Club that day but you should be over with that in plenty of time to join the fun. Tara is in charge. Slips are at club or in this newsletter and you can put them in the box that is out on the table that you are coming. Good food, good friends and a good time should be had by all. We will not have the lure coursing this year as there was a conflict on Jim Perry's schedule. So if you have some dog and/or people games you want to play, contact Tara. Don't forget to bring your dish to pass.

Everything being said, have a great rest of the summer. Will see you at the upcoming events.

Happy Heeling, Joan

Getting Started in AKC SCENT WORK

Presented by WWCDTC Members
Karla Niessing, Joe and Sue Kugel

Saturday October 6th, 2018
10AM to 2PM

Western Waukesha County Dog Training Club

There will be demonstrations of dogs working scent from the beginning levels to the more advanced. Afterwards, members are encouraged to try out the game with their own dogs.

The equipment needed to get started is simple - a willing dog - old, young or in-between, a collar or harness and leash, soft treats and water for your dog.

If you are interested in attending this seminar, please pre-register on the sign up sheet, so we can determine how many people/dogs to accommodate. Free to WWCDTC members.

TRAINING COMMITTEE –

DIRECTOR OF TRAINING REPORT - Mark Christiansen

CLASSES – We are in week 4 of the Summer session. No classes this week

Have a need for instructors – consider apprenticing with one of the classes

Chris Getter encouraged people to try teaching a class, get started by assisting with a class. She went on to say that there were 48 classes offered last year and 18 instructors that taught them, people get burned out. She has two people that asked to assist in the Pre-Novice class.

A few people that have taught classes, have commented that 12 weeks is too long.

MONDAY NIGHT - Start a new session on Monday 8/06 night.

Beginning manners has just 4 or 5 dogs. Mark mentioned that the classes are going better and the dogs are improving. In need of more instructors for Monday nights.

4th FRIDAY RUN THRUS – Linda Warn – Linda will no longer organize the Run Thrus, need a replacement. Karen Johnson volunteered to take over the position and will work with Linda in Sept. and Oct, to learn the ropes.

COMMITTEE REPORTS –

MEETINGS/PROGRAMS –

September Meeting – 9/22 Club Picnic. Tara Matusiewicz is heading up the picnic. She will need help. Additional information will be in the newsletter.

Seminars – Connie Cleveland seminar April 2019. Nancy Schmidt is arranging the seminar.

GROUPS/BUILDING/HOUSEKEEPING – Mark Christiansen

Flooring – Mark thanked everyone that helped out replacing the floor. Things went a lot faster than Mark had anticipated.

All crates, chairs and tables must be set on a mat.

Cleaning by Joy is going good. The Odorban foams a bit more on this flooring, but it wipes up fine.

Putting tennis balls on the chairs. If anyone has decent tennis balls please bring them in, also need more help putting the tennis balls on the chairs.

Karen Johnson suggested painting the gate stanchions a darker blue and volunteered to do the job. Will be looking for others to help.
