To Whom It May Concern:

Ms. Toni Washington was introduced to me by a recommendation. Ms. Washington has helped lay the groundwork for LiaVonni Dance Foundation, a nonprofit organization of which I am the Founder and Executive Director of. Her profession is in helping new nonprofit organizations set their foundation by doing the legal documentation, strategic planning, personnel assignments, and coaching staff in marketing strategies.

I am writing to express how much of a tremendous help Ms. Washington has been to my company. Ms. Washington will continuously reach out indicating she is available to continue the foundational process and pursues to finish what has been started. She will work with her clients every step and detail of the way. Ms. Washington has created the bylaws, strategic plan, and budget analysis for LiaVonni Dance Foundation. She even helped choose the directors.

Not only is Ms. Washington very knowledgeable about starting a nonprofit organization, she is a pleasure to work with. Her welcoming and gracious care of LiaVonni Dance Foundation really showed me that she truly cares to birth a successful organization.

If you have any questions, please feel free to contact me at 321-356-3006, or send me an email.
