

HEDGES

According to the Village of Odessa Zoning Ordinance 2002 Section 17.0:

A: Where the driveway meets the street the hedge wall or planting shall not exceed 36 inches in height.

B: On a corner lot, no fence, wall, hedge or screen planting over 36 inches in height shall be constructed at the intersection of the two streets. In any use, the minimum clear vision distance shall be twenty-five feet from the edge of the pavement at the intersection.

If the hedges are not kept at the specified height, the Building Inspector will issue a warning and if work is not completed within specified time, the Village will trim hedges to required height and bill the land owner. (Local Law 3 of 2007 Administration and Enforcement of Code)
