Dear Westchester Corvette Club Members,

First and foremost, I apologize for the lateness of this letter. Our organization is a small organization, but the work we do "packs a big punch" to those children and their families within our community. Thank you so much for your generous donation of \$357.00, plus the \$180.00 raised in donation at the 6th Annual Spring Dust-Off Classic Car Show this past May 2016.

As you know, our organization is committed to helping families with children suffering from life threatening illnesses and/or injuries within Westchester and Putnam Counties in New York. In our son's memory Just Imagine Making Miracles Yours was created, and Jimmyboy continues to share his love through this organization.

Through your generous support of the JIMMY Foundation, we will be able to help many of these families and individuals not only to meet essential daily needs but to take the stress off some of their financial needs. It is difficult while a child within a family is facing a life threatening situation, and as I know, it is the everyday costs that become burdensome.

Our board of directors appreciates every bit of support we have received from The Westchester Corvette Club. Thank you again, and we look forward to your continued support.

Sincerely,

Gina M. Arena
President
