

February 2013 Block

Cutting Instructions

Fabric One(off white in illustration)

A. Twenty-Four $2\frac{1}{2}$ " squares-outer border and block

B. Four $1\frac{1}{2}$ " x $8\frac{1}{2}$ " rectangles-inner border

Fabric Two(green in the illustration)

A. Eight $2\frac{1}{2}$ " squares-outer border

B. Four $2\frac{1}{2}$ " x $4\frac{1}{2}$ " rectangles

Fabric Three(red in illustration)

A. Eight $2\frac{1}{2}$ " squares-outer

B. Four $1\frac{1}{2}$ " squares-inner border and block

C. Four $2\frac{1}{2}$ " x $4\frac{1}{2}$ " rectangles

Sewing Instructions

Center Block

Using my method or your favorite method make four flying geese blocks using eight A pieces of fabric one and four B pieces of fabric two. Then make four more flying geese blocks using eight A pieces of fabric one and four C pieces of Fabric three.

Assemble the the flying geese as shown to form the center block.

First Border

Sew one of the B pieces of fabric one to opposite sides of the center block. Sew a piece B of fabric three to each end of two of B pieces of fabric one and sew these units to the remaining sides of the center block. Your blocks should now measure 10 1/2" square.

Second Border

Sew the A pieces of fabrics one, two, and three together to form four borders as shown in illustration. You will have two shorter borders with five squares each and two longer borders with seven squares each. Sew the shorter borders to opposite sides of the block. Then sew the longer borders to the remaining sides of the block. Your block should now measure 14 1/2" square.
