Automated Trash and Recycling Service Guidelines

- Trash will be collected weekly. Recycling will be collected every-other-week. Please see calendar for collection schedule.
- Place all materials at the curb the night before your scheduled collection or by **6 a.m.** the day of your pickup.
- Please bag your trash before placing in the trash cart to prevent blowing of loose trash. Make sure all materials fit in the cart with the lid firmly closed.
- Empty your recyclables directly into your recycling cart.
- Place your carts at the curb the night before your scheduled collection or by **6 a.m.** the day of your pickup.

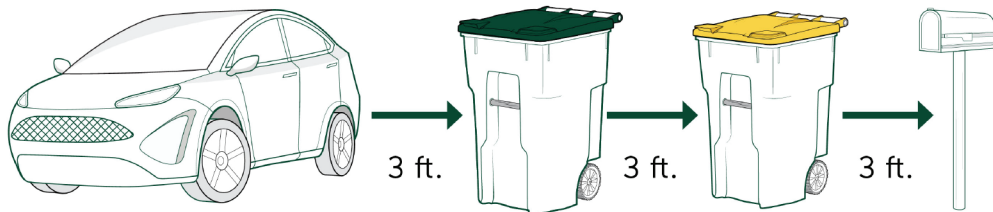

If you have any normal household garbage that is not recyclable and does not fit into your cart, you can place the excess garbage in 30 gallon bags and affix an extra capacity sticker on each bag.

Stickers can be purchased at the Municipal Hall for \$5.00 each. After affixing the sticker to the extra bag you can place the extra bag next to your trash cart for collection. Any bags without the sticker will not be collected.

An additional trash or recycling cart can be purchased by contacting the Wyoming County Planning Department. There will be an additional cost associated with the additional cart purchase.

Cart Placement for Automated Trash and Recycling Collection

- Place your carts at least 3 feet apart and 3 feet away from any obstacles (trees, cars, mailboxes, etc.) to allow the automatic arm to lift and empty the cart. Place the wheels of cart toward the house..

Bulk Waste Collection Guidelines

Bulk item collection occurs once per month. On your normal trash pick up day. Please see the calendar for the collection schedule - the red **B** indicates the bulk week.

You may place up to 3 bulky items on the curbside with your regular trash during that week.

Bulk items typically include the following:

- Children Toys: Big wheel, bicycle, doll house
- Household Furniture: Chair, Dining Chair, Dresser, Nightstand, Tables. Cloth furniture, mattresses, box springs (mattress/box spring sets count as one item), hot water tanks and household appliances.
- Awkwardly sized or shaped household items that do not fit into your trash cart.
- Carpeting is acceptable , but must be rolled into lengths of 4 feet or less, taped securely, and do not have a diameter wider than 18 inches.
- Items such as weed trimmers, small lawnmowers or any small equipment requiring oil and/or gas, MUST have those liquids removed prior to collection.
- Large items must be of size that can easily be handled by two people.

Unacceptable items:

Additional trash bags, boxes of trash or old trash cans filled with trash. Electronics or appliances containing CFC's such as refrigerators, freezers, air conditioners, dehumidifiers etc. **UNLESS** the CFC's have been professionally removed and the item has been stickered as "Freon Free" by the professional. Any professionally stickered refrigerator or freezer must have the doors removed prior to collection.

NO microwave emitting equipment, tires, and any regulated material covered by the New York State Equipment Recycling and Reuse Act, such as televisions and computers
