

## Homemade Kettle Corn ~In the microwave

What you will need:

Tbsp.popcorn kernels

2 tsp.oil

1 Tbsp. sugar

Dash of salt

Directions:

Pour the kernels, oil, sugar and salt in a small bowl. Mix until all kernels are well coated with sugar, salt, and oil.

Pour the bowl's contents into the paper bag. Place the bag on a paper plate and fold the top of the bag over 1 " twice. You can also use a microwave safe bowl and a vented lid .

Place in the microwave on popcorn setting or for 1 minute 1 seconds.

Open slowly and carefully, as steam will be hot.

Enjoy !
