

# **TRASH & RECYCLING REMINDERS**

- ◆ Trash pickup begins at 7:00 AM. Trash and recycle containers must be at the roadside. If you miss trash pickup, do not put the container with the recyclables. It will not be picked up.
- ◆ Trash and recyclables can never be mixed. Cardboard boxes should never be used for trash. Please use the proper receptacle.
- ◆ Recycle containers over 20 gallons will no longer be accepted. The containers need to be lifted over the back of the truck to empty. The larger containers are too heavy and cannot be done safely and will be left behind.
- ◆ All cardboard boxes must be broken down. Whole boxes consume too much space in the back of the truck.

Thank you for your cooperation. If you have any questions or concerns, I'm more than happy to discuss them with you.

Thank you.
