**My Sister's Gift House** creates and designs custom merchandise. We aim to promote products that emphasize the most enjoyable things in life, such as family, holidays, and sports. As a business, we specialize in embroidery keepsakes. Our gifts include, but are not limited to, golf towels, blankets, baby quilts, pillows, and aprons. During the various holiday seasons, our inventory ranges in merchandise and custom capability to support all traditions. Recently, our focus has been on a variety of baby product lines. As an added touch, all of our orders are wrapped and ready for gifting.
