Homestake Cross Country Ski Program 2017

The Silver Bow Montessori Elementary classroom will again be participating in a cross country ski education program provided by the Homestake Lodge. This program will be the elementary's Friday afternoon PE curriculum on scheduled days. Students will eat lunch at 11:00 on these days, as the vehicles will leave school at 11:30. Once at the lodge, students will participate in a lesson and then ski together as a group.

Older students in the early childhood classroom (at least five years of age at the beginning of the school year) have the option of participating in ski lessons if accompanied by a parent. The early childhood participants will ski in a separate class group.

Cross-country ski dates are: **January 13, February 3, February 24, and March 17.** Chaperones are welcome to join us. The price for skiing is \$15 per day (for both children and adults). The series of four outings is \$60. This includes rental equipment, ski pass, and lesson.

On ski days, elementary and participating early childhood students will need to bring warm clothes. Coat, hat, and gloves are required. Clothes worn for down-hill skiing will be fine for cross-country skiing. Dressing in layers helps since the activity is aerobic.

Please provide your response, information on the form below, and payment for your child(ren) to the school by Wednesday, January 11. If you have special needs or requests, please indicate them on the back. Thank you.

HOMESTAKE CROSS COUNTRY SKI PROGRAM

Name: _____ Age: _____

_____ **will** participate _____ **will not** participate

If renting equipment for child: Shoe Size: _____ Height: _____

(If applicable) Chaperone's name: _____
