JUNE: LET'S HANG OUT

A mix of projects brought together under the theme of hanging, dangling, and swaying. These projects are all dimensional, working with string, metal and beads. Oh, and also, we will do a canvas painting, cause everyone likes to paint!

Xylophone Mobile. 6-Point Stars. Dream Catcher. Hanging Animals.

June 16 - 19 OR June 23 - 26

JULY: TIE DYE & SteamPunk, Plus

The theme is just "really fun projects" for this month! We are going to do popular, highly demanded projects. These are going to be messy and big and cool stuff! (parents are going to be so jealous they can't do these!)

Tie Dye. SteamPunk. Walking Stick. Paper Flowers. Buttons Galore.

July 14 – 17 OR July 21 – 24

AUGUST: Working with WOOD

Bringing back some favorite projects from years past! Using wood objects as our base material we are going to build, make, paint and create. Lots of glue and tools will be used (fan favorites!). Less quantity, but bigger!

Blockheads. Painted Chair. Block sculpture.

August 4 – 7 OR August 11 – 14
