Julie was a lifelong member of the Bird Creek Golf Course and had made a hole in one, on two different occasions in her golfing lifetime. She and her golf partners won many tournaments, and always had fun being together. Julie had also held the position of Athletic Director at North Huron schools, was the High School principal secretary, had served as the lunch lady, drove school bus, and also coached Jr. High Basketball. Julie was also the church organist for many years at St. Edward's Catholic Church in Kinde and an auxiliary member of the Port Austin American Legion. Julie then went on to receive her LPN degree, and worked at Courtney Manor as the activities director, and worked for many years at McLaren Thumb Hospital. She enjoyed golfing, swimming, traveling, cooking and spending as much time as possible with her family and grandchildren.
