**Rock Island County Health Department reports 1 death; 125 new cases of COVID-19**

The Rock Island County Health Department reports an additional death from COVID-19: a man in his 70s who had been hospitalized.

“We are saddened to report another death from this virus,” said Nita Ludwig, administrator of the Rock Island County Health Department. “We offer our sincere sympathies to his family and friends.”

The health department also reports 125 new cases of COVID-19 since our last report on Friday. The total number of cases is now 17,124. Currently, 44 patients are hospitalized in the county with the virus. The average age of newly infected patients is 38.

The new cases are

- 1 woman in her 90s
- 3 women in their 80s
- 7 women in their 70s
- 10 women in their 60s
- 6 women in their 50s
- 7 women in their 40s
- 6 women in their 30s
- 11 women in their 20s
- 4 women in their teens
- 6 girls in their teens
- 11 girls younger than 13
- 2 men in their 80s
- 3 men in their 70s
- 4 men in their 60s
- 6 men in their 50s
- 8 men in their 40s
- 5 men in their 30s
- 14 men in their 20s
- 1 man in his teens
- 3 boys in their teens
- 7 boys younger than 13

No additional information regarding these cases is available due to federal privacy laws.

We all must continue to work to prevent further spread of COVID-19 by:

- Getting vaccinated as soon as you can. Visit [vaccines.gov](https://www.vaccines.gov) to find your shot. RICHD offers walk-in vaccines on Tuesdays (Moderna and Johnson & Johnson) and Fridays (Pfizer). The hours for both days are 9 a.m. to noon and 1-4 p.m.
- Staying home when you are sick.
- Wearing a face covering. A mandate from Illinois Gov. JB Pritzker requires that everyone 2 and older wear a mask in public indoor spaces, regardless of vaccination status. The CDC recommends that everyone age 2 and older wear a mask in counties of high or substantial transmission.
- Keeping 6 feet of physical distance from others in public if you have not been fully vaccinated
- Washing your hands frequently.
