

New Local and Fax Numbers for Scrapie Canada

Wednesday, July 6, 2011 – Guelph, ON – The local telephone and fax numbers for Scrapie Canada have changed effective immediately. The numbers for Scrapie Canada are now:

Local Telephone –	1.613.652.1824
Toll Free –	1.866.534.1302 (remains unchanged)
Fax # -	1.613.652.1599

While the Scrapie Canada number has been forwarded to the Canadian Sheep Federation pending transfer to the new Scrapie Coordinator, the numbers above will now connect directly with Corlena Patterson, the Scrapie Coordinator. The toll free number has not changed, but should you be faxing or using the local number, please note the changes above. The previous numbers will be disconnected.

We appreciate your patience during this transition. With the new Scrapie Canada numbers, you will be in direct contact with the National Coordinator, which will speed up response time for questions, inquiries, and submission of program documentation.

Funding for the Voluntary Scrapie Flock Certification Program is provided through Agriculture and Agri-Food Canada's (AAFC) AgriFlexibility program.

The Canadian Sheep Federation is a national, non-profit organization that represents all Canadian sheep producers. Its mission is further the viability, expansion and prosperity of the Canadian sheep and wool industry.
