

### What is RAVE-Smart911?

- RAVE is a Mobile Safety Company that has created Smart911 which is a **FREE service** provided to the **citizens of the City of Okmulgee and Okmulgee County** that provides Emergency Responders with more information in the event of an emergency. Smart911 saves critical time in an emergency and has proven to save lives nationwide.

### What is RAVE-Smart911 replacing?

- RAVE-SMART911 is replacing CODE RED.

### What will RAVE-Smart911 do for me?

- RAVE-Smart 911 will create a Safety Profile for your household that includes information in the event of an emergency.
- RAVE-Smart 911 provides 911 with the key information to allow the 911operator to send the right response team to the right location with the right information; for instance if you are diabetic, have a heart condition, allergies, cancer, aneurism, etc.
- RAVE-Smart 911 allows Emergency Personal the details that can help them respond faster and more efficiently.
- RAVE-Smart 911 allows you to link both home and work addresses to mobile phones.
- RAVE-Smart 911 allows you to choose the emergency situation you want to be notified about and your choice of location. Mobile phones do not give the operator the address of your emergency, with Smart911, they will have the address automatically.
- RAVE-Smart911 will let you register your pets that are in the household, vehicle details and emergency contacts can be provided in the Safety Profile.
- RAVE-Smart911 can SPEAK FOR YOU when you are unable to do so.
- RAVE-Smart911 will receive the highest priority National Weather Service Alerts including tornado watches and warnings, flash flood warnings and severe thunderstorm warnings based on your real-time location.

**You are encouraged to create your Safety Profile with Smart911 today. ALL INFORMATION IS OPTIONAL; it is private and secure, protected by HIPA laws and will ONLY go to the 911 operator when the emergency call is placed.**
