

## These are my growth rings. Betty

Draw a growth ring for each year of your life in your growth ring circle.

On this side, draw a line from each growth ring and list something that happened to you that year of your life.

My name is Betty. I'm not sure the exact year that I was born, but my mom thinks it was 2006. That makes me 9 years old.

When I was 2 years old in 2008 it was a special year because that is when Kathleen adopted me and I went to live in her house in Montello.

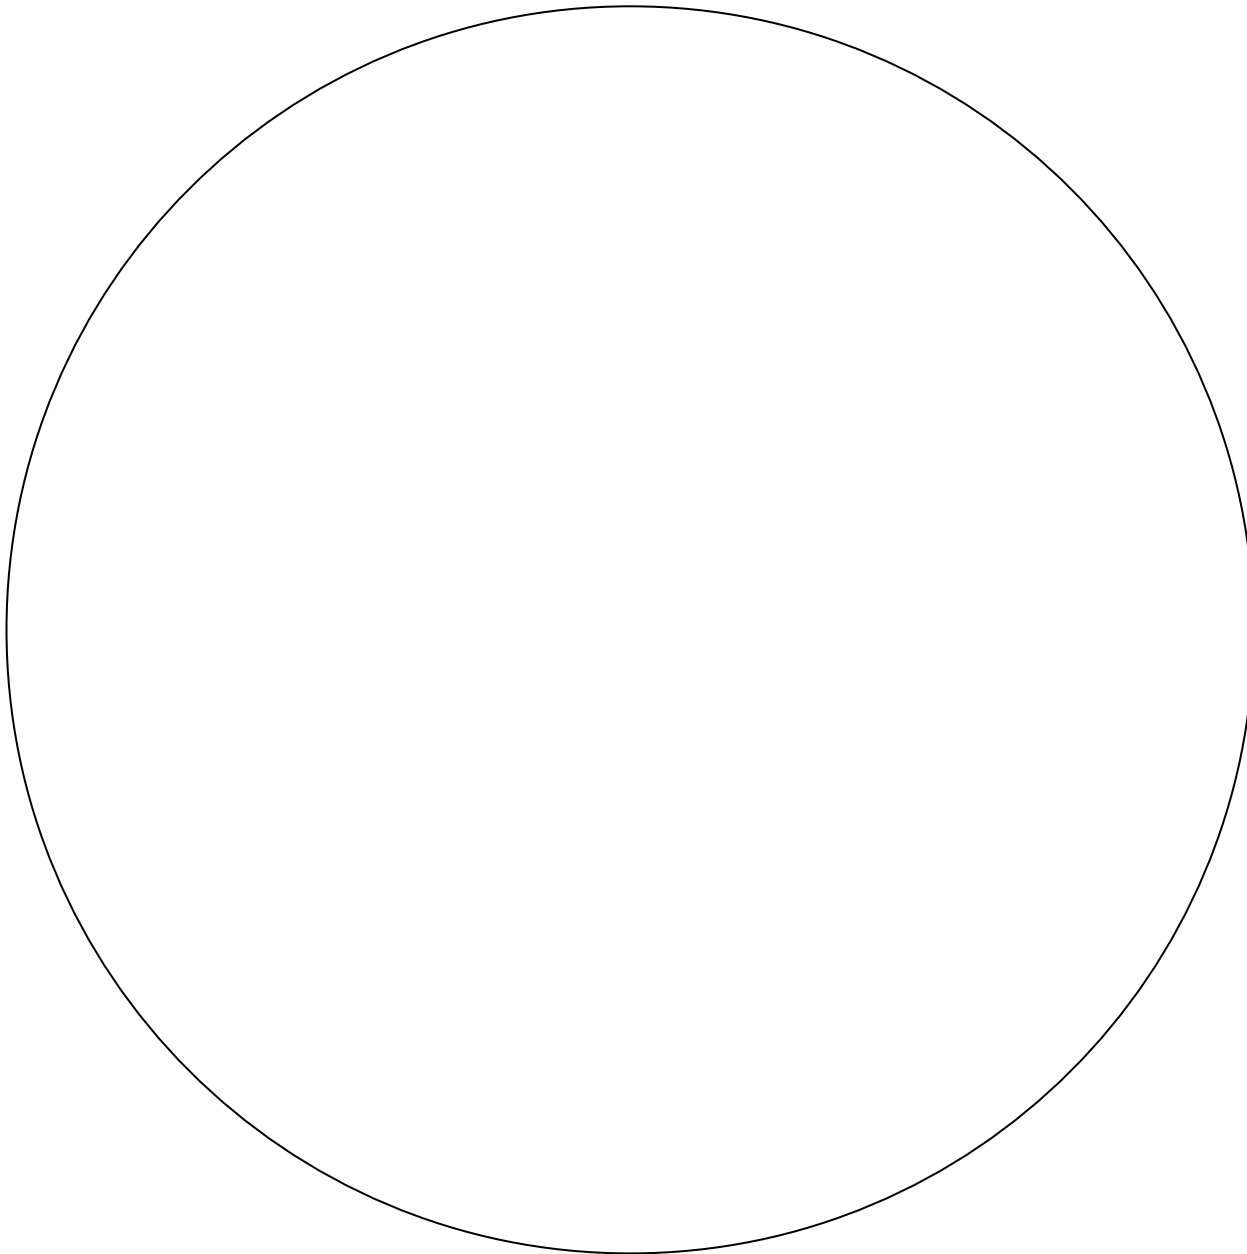

Two years later in 2010, I became a Therapy Dog, the start of an exciting time in my life.

In 2011 I joined the Howard and Betty Love Marquette County team and Howard and I visited every library in Marquette County where people joined a scavenger hunt to learn about where they live.

Then the best thing happened in 2012. I began to come to Forest Lane Community School in Montello to work with all the 4th graders and I've been so happy ever since.
