

## Good Thing Going

As I was praying for today's message I heard, "You got a good thing going if you don't let go of what I said." I am super excited about this message today. I don't know about you, but I am due for some good things!!! I trust God, so if He says, "You got a good thing going..." it must be true!

Today's message is for you! Today's message needs to be embraced by you. Today's message needs to become a part of your mindset. By faith, right now tell God you receive and agree with His Word. Stop doubting! Today's message requires faith no matter what side of the fence you are on. It's His plan to give good things to you. I know some of you don't feel like you got a lot of good things going, but if God said it, run with it! Today's message is for you! Rebuke doubt from your mind. Say it out loud, "Today's message is for me! and I receive every word of it. I rebuke doubt and I willingly trust God's Word for my life. I believe Your Word oh God."

*God Says: It is My own truth, nothing could be plainer! I plays no favorites! It makes no difference who you are or where you're from—if you want Me and are ready to do as I say, the door is open. Take what I said because it belongs to you!*

*Day and night stick with Me. You have a good thing going if you don't let go of what I have said. I will disarm your tormentors. I take care of all who stay close to Me. Don't be intimidated. Don't give the negative happening in your life a second thought. I Am your God. I Am striding ahead of you.*

*I Am right there with you. I won't let you down. I won't leave you. The sunrise will break through the darkness. Keep your eyes open, hold tight to your convictions, hold tight to what I have said to you, give it all you've got, be resolute, and love Me without stopping.*

*You are brave. You are strong. Don't give up. It will come to pass. Take heart. Don't stop trusting Me. I have a stack of blessings piled up for those who worship Me. This means you!*
