

Make A Difference Request

The Make a Difference Fund is an extension of The Reece Kelley Foundation that has grown out of the generosity that people have shown in remembering Reece. We are able to donate funds back to the community with the goal of helping those who are experiencing an unexpected negative event in their lives. We also can provide support for others who are making a difference in their own way. Anyone who was fortunate enough to know Reece would agree that even at 9 years old he always wanted to cheer people up with a smile or by lending an ear. With his kind nature he made a difference in the lives of so many. Our goal is to carry that forward, and to help where we can.
