

## PRESIDENTS REPORT

I wish to thank the members of the Club who helped me during my extended term as President of our Club. We did not have a particular successful season on the Green in the Pennant competitions so there is room for improvement and I hope we can manage this in the coming season. My congratulations to all trophy winners and the runners up even though some competitions didn't get finished with the shortened season.

Thanks to all members who participated in these competitions. Thank you must go to Noel Gerry and the others for organizing the Friday triples. The bar staff and kitchen personal did a wonderful job during the season and deserve the thanks of all members. Lindsay deserves the accolades he receives for the work he does on the Green and surrounds.

To the incoming Committee of Management. I hope you enjoy the coming year albeit for only about 5 months. To the outgoing committee thank you for your support in the very trying year courtesy COVID-19 pandemic which has swept the world .

To members that have been re elected a big thank you for taking the position on again.

It has been a learning curve for me but I consider it a privilege to be President of our Club.
