**May 20, 2020**

When physical distancing rules permit we may have our future meetings back at American Legion Post 1, In the mean time we will continue to "Zoom". When we begin physical meetings again we anticipate "Zooming" those meetings in addition to the physical meeting. We hope to gain virtual attendees thus expanding our reach.

Here are the attendees via Zoom at the May meeting:

We will hold our June 17, Meeting via Zoom. Stay tuned for invite information.
