## **Parsonage Project**

Pastor Jake and Rhianna have been very patient through the stress of all of the rain and water leakage happening at the parsonage. This is not a new issue, but one that needs be addressed. The Councils of both Kasson and Pleasant Corners Churches have done some research and have agreed on a system that is similar to "The Beaver System" which will be contracted to Innovated Basements costing approximately \$14,000. Of this amount, the Kasson church will be responsible for about \$10,000. If you would like to donate to this project to help limit the amount of a loan to cover this repair cost, please make your donations to KUMC with "Parsonage Basement Repair" in the memo and place your donation in the Offering Plate or in the basket during Fellowship hour.

Respectfully,  
The Support Group
