

GLENBROOK PRESCHOOL

NOVEMBER 2024 NEWSLETTER

THIS MONTH AT PRESCHOOL

As we start our third month of school, our students are beginning to explore oceans. Your child will have opportunities to discover new concepts about sea life as they peruse the classroom books.

They can experiment with colours, textures, and images of the sea as they construct a gluing craft or try out their painting skills. As always, our playdough toys and tools change regularly, and provide students with a very tactile way to explore new ideas.

More information on playdough's role in your child's learning can be found on the second page of this newsletter.

ILLNESS REMINDER

If your child is ill, you must keep him/ her home (both for your child's sake and to ensure that the other children do not become ill). If your child becomes ill while at school, you will be called to come and pick him/her up. Your child must be medication- free (including cold medication, Tylenol, Advil, etc.) for 24 hours prior to the start of class time.

FALL FUNDRAISER BOTTLE DRIVE

Our bottle drive was a huge success!! A big thank you to Jesse Lail for donating his time, as well as his trucks and people from his bottle depot business. This allowed the Preschool to keep 100% of the profits made by our bottle drive.

PEANUT-FREE ZONE

We are a **Peanut-Free Zone**. Glenbrook Preschool Society will be providing a healthy snack for your child during their preschool class, so there is no need to pack one.

In addition, please do not send any other food, such as birthday or holiday treats, to school with your child due to allergy concerns. Even food that has come in contact with peanuts can be potentially dangerous for some children.

Thank you for your cooperation.

LEARNING THROUGH PLAY

Are you wondering why playdough is such an important staple in our classroom? Here are a few things your child gains from this satisfying sensory experience. Playdough can help children to:

- Develop hand, eye, arm and body coordination, and strengthen finger and hand muscles through squeezing, patting, pounding, rolling, poking, pinching, and cutting with scissors
- Dramatize about food and cooking and identify with the role of family cook
- Be successful – playdough is easy to mould and manipulate
- Be creative

REMINDERS

- Check out the preschool's website (glenbrookpreschool.org)
- To maintain consistency in the classroom, we kindly ask that you encourage your children to address their teachers using their surnames. They are Mrs. Miller and Mrs. H. Thanks for your assistance with this!
- **NO** parking, dropping off or pick up allowed in the staff parking lot. Please park your vehicle where permitted.
- Please write your child's name inside their backpack.

PARENT ADVISORY COMMITTEE (PAC)

As a non-profit, we rely on parent volunteers to join our PAC! As always, we are happy to have several parents volunteer their time year after year. Since we are a parent-run organization with several roles to help operate at our optimal, GPS is excited to have a handful of new parents take part in our PAC fulfilling almost every role. We are currently looking for a Newsletter Editor. If you are a parent/guardian of a student with GPS and are interested, please email our program coordinator at president@glenbrookpreschool.org.

All parents/guardians are welcome to attend all PAC meeting which are held on the last Tuesday of each month virtually. Our next meeting is on **Tuesday, November 26, 2024, at 7:30 PM**. If you would like to attend, please email president@glenbrookpreschool.org and your request will be sent to our chair, Stephen Bernier.
