

Kitsap Saddle Club **HOOFBEATS** October 2020

A message from our Board:

Please note that there will not be a General Meeting in November. Please notify a Board member if you have any topics that you need to discuss. Board contact information can be found on the website. Also, a reminder that all events have been cancelled for November. Please watch for updates as the remainder of the year progresses.

A few of us have been working very hard to keep the club looking nice. A huge shout out to our Building and Lands team!!! All members, please remember to lend a hand. Mowing, weed eating, and cleaning the building are all chores that need to be done – oh and don't forget trimming the blackberries!! If you're riding at the club, please clean up your horse poop. We hope you have been enjoying the events set up in the lower arena, if you haven't get out there before the weather gets too wet! Also, be sure to support our sponsors that are listed in this newsletter!
