

Title: Trash Disposal

Purpose: This policy explains the proper way to dispose of trash

I. Dumpsters, Trash Cans and Recycling Bins

1. There are two dumpsters at the end of the Clubhouse parking lot.
2. A Recycling bin is available for aluminum cans, glass and papers in the Clubhouse for homeowners. Additionally, homeowners can purchase a tag from the Town to use the Convenience Center for recycling.
3. Clubhouse and Laundry facilities have several trash cans.

II. Disposal of Trash

1. Bag kitchen waste to keep wild animals from scattering it outside the dumpsters.
2. Please recycle when possible.
3. Pick up trash in public areas as soon as you see it instead of leaving it for others.
4. Assure that the dumpster doors are closed and secured.
5. Do not place garbage on top of the dumpsters or next to them.
6. Construction material is not to be placed in the dumpster.
