KIWANIS MEETING OF February 17th, 2020

Best we can say is tonight's festivities did not work out exactly as planned. It was our intent to honor the Southwest High School Key Club on the occasion of their 25th anniversary. But for unknown reasons, no one from the club made it to the special dinner event. So we went ahead and had a good time anyway! Here's the report.

Club members attending were Maria, Anne, Matt, Rick, Dal, Lorna, and past Southwest Key Club advisor Christy. The Preble Key Club was present to honor their sister club. Attending were advisors Kristin and Katie plus five club members. They told us about their busy school year that so far has included helping at the zoo, sewing blankets, Valentine's for senior citizens, and much much more. Keep up the good work Preble, we were all very impressed!

We enjoyed the usual fine meals served by the Black & Tan Grille staff. Choices were steak, salmon, or chicken. Your writer wishes he could have had a bite of all three!

Speakers included Anne who gave us a complete history of Key Clubs. They've been part of Kiwanis for 95 years! Dal talked about the start of the Southwest club, many of our members worked very hard to get it going. The initial member roster was 24 girls!

The evening's highlight was presentation of a plaque to Christy honoring her for 12 years of assistance to the Southwest club. She recalled the fun times

she had with the students (sometimes they needed to be steered in the right direction) and we applauded her many accomplishments. Christy will be relocating to the UP later this year and we all wish her the best in her new home. She will be missed by our club.

We return to our normal club meeting schedule next Monday, February 24. Next month's meetings will feature:

March 2 - Bellin child life specialist
March 9 - Fox River PCB cleanup
March 16 - GB Water Department
March 23 - Exceptional Equestrians
March 30 - Walter Awards dinner 5:45 PM
