REPORTS TO: Behavioral Health Manager
FLSA CATEGORY: Exempt
EEO CATEGORY: Professional

POSITION DESCRIPTION

This position will be accountable for the effective delivery of behavioral therapy services to patients of HealthWorks. This individual is responsible for coordination of mental health and substance abuse treatment to support a healthy environment and healthy behaviors for our patients. Participating in a multi-disciplinary team approach to patient care.

ESSENTIAL FUNCTIONS

1. Provides direct clinical services to mental health clients, including substance abuse, intake, programmatic education, individual, couples, family and group therapy using Evidence Based Practices.
2. Assess substance abuse and mental health patients for the appropriate level of treatment. Prepares reports of findings and recommendations.
3. Completes questionnaires or forms as required by insurance companies or other third-party resources.
4. Provides clinical and/or indirect services to referral sources, i.e., schools, law enforcement, social services, etc., as requested and approved.
5. Participates in appropriate professional development opportunities both through HealthWorks’ opportunities and external sources.
6. Participates in scheduled staffing, care review and other quality assurance activities.
7. Scores and reviews psychological questionnaires as needed.
8. Counsels patients to assist in treatment of dependencies, life adjustments and making or accepting changes.
9. Collaborate with other BHS providers if needed for higher level of care or medicated assisted therapy.
10. Maintains standard of expected minimum direct service productivity and therapeutic responsibility for the collection of fees.
11. Provides follow-up and after care planning services as needed.
RESPONSIBILITIES

- Timely and accurately prepare appropriate treatment plans with client involvement.
- Clinical assessments and clinical notes must be completed in 72 hours.
- Maintains case records to reflect course of treatment and prepares needed reports of treatment as requested.
- Timely prepares clinical notes for each clinical session.
- Expeditiously discharges inactive clients in order to accurately report active and inactive clients.
- Develops and maintains a positive working relationship with other HealthWorks Staff and community providers.
- Provides individual, marital, family, and group services as appropriate to meet the patient’s needs.
- Makes appropriate referrals through case-management services.
- Participates in quality assurance.
