**Course** Sun Eagles (71.4 /128)  
**Weather** Overcast with Showers

---

Three DGA'ers played SunEagles course in Monmouth County for the first time, on a humid and soggy afternoon with sporadic showers. Half of the holes were "cart path only" with frequent scattered puddles. Despite the wet conditions, FT-DGA "romped" by 2 shots. The course is under new management and we were told some moderate improvements were made with more to come.
